107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session ; aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt après la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th October, 1916, from the Minister of the Interior, stating that Letters Patent were issued on the 20th November, 1907, to the City of Regina, in the province of Saskatchewan, for cemetery purposes only, for a certain parcel or tract of land particularly described in such Letters Patent, and being a portion of the north half of section thirty, in township seventeen, and range nineteen, west of the second principal meridian, in the said province of Saskatchewan,

and containing sixty-six and fifty-five hundredths (66·55) acres more or less ;

The Minister further states that in compliance with the request of the City of Regina it was decided, upon the parcel in question being re-vested in the Crown, to issue a new title to the city for the said parcel without any restrictions as to the use to be made of the land,—

The parcel of land in question having been re-vested in the Crown and the title thereto being now in His Majesty King George the Fifth in the right of the Dominion of Canada, the Minister recommends that the decision arrived at be given effect to and that he be authorized to issue Letters Patent for the said parcel of land above referred to, in favour of the said city of Regina, in the province of Saskatchewan, without any restrictions as to the use to be made of the land.

The Committee concur in the foregoing recommendation and submit the same for approval.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that William Henry Moore was granted homestead entry on the 19th May, 1903, for the southwest quarter of Section 24, Township 21, Range 1, west of the 1st Meridian, in the Province of Manitoba;

It would appear from the evidence submitted that the entrant lived upon this quarter section for six or eight months in each year from 1904 to 1908 inclusive, but he is not able to furnish the dates of commencement and termination of each period of residence, neither is he in a position to obtain witnesses who can furnish the information ;

It has been ascertained that Mr. Moore erected two houses upon this land and that both were destroyed by fire ;

Mr. Moore would also appear to have been the owner of an average of eighteen head of cattle during the time he resided upon the land,—

In view of the foregoing, taking into consideration the fact that apparently the settlement duties called for by the Act have been completed and that the only difficulty in the way of issuing patent is the failure to furnish full details as to the residence performed, the Minister recommends that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, for the sale of the said homestead to Mr. Moore at the rate of $1.00 per acre, in lieu of the performance of further settlement duties, such sale to exhaust his free homestead right.

The Committee concur in the foregoing recommendation and submit the same for approval.

Clerk of the Privy Council.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that Mr. John Marshall was granted pre-emption entry for the northeast quarter of Section 33, Township 7, Range 10, west of the 3rd Meridian, on the 14th January, 1910 ;

Information has been received that this homesteader performed three terms of residence in connection with his homestead entry, but no residence in connection with the pre-emption entry. The cultivation duties have apparently been completed ;

It has been represented to the Department of the Interior that Mr. Marshall is now in his 86th year and totally incapacitated from further work or residence on the above land, that he requires the care of his immediate relatives as long as he may live and that he will, therefore, be unable to take up further residence on either his pre-emption or homestead,—

The Minister submits copy of medical cerlificate, and recommends, in view of the statements contained therein, that further residence on the part of Mr. Marshall be dispensed with in accordance with subsection 2 of section 20 of The Dominion Lands Act, chapter 20, 7-8 Edward VII, so that patent may be issued to Mr. Marshall upon proof being furnished in the ordinary way that the other conditions of the law have been fulfilled, and that the purchase price has been paid.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, stating that application has been made to the Department of the Interior by the Western Canadian Ranching Company, Limited, of Cache Creek, British Columbia, to purchase under irrigation conditions 307·9 acres of land, consisting of fractional parcels surrounding the Company's main holdings near Cache creek, in the Railway Belt of British Columbia, all of which they propose to bring under an irrigation system.

The Minister states that the lands applied for have been inspected by officers of the Department of the Interior, who have reported that they are useless for cultivation without irrigation and that the irrigation of same is feasible providing water can be secured for the purpose. The lands are vacant and available.

The Minister, therefore, recommends that the lands enumerated in the attached schedule be sold to the Western Canadian Ranching Company, Limited, on the following conditions :—

(*a*) The land sold to be brought under cultivation by irrigation ;

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount not exceeding Two dollars ($2,00) per acre and the amount so credited shall be deemed to be a payment in cash made on the date of sale. The said purchase price to be paid as follows: One dollar ($1.00) per acre within one year from date of the authorization of the sale by the Governor in Council, the balance within three years from the date of such authorization or upon fulfilment before the expiration of the said three years of all other conditions of the sale, with interest at 5 per cent per annum.

(*c*) The necessary water rights to be secured from the Provincial Government of British Columbia. No work to be done on the land until preliminary water rights are secured from the province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale of and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the Provincial authorities in connection with the water rights, in which case the Provincial dates may be accepted if approved by the Minister of the Interior.

(*e*) Examination to be made by engineers of the Department of the Interior on completion of the work.

(*f*) Patent to issue, when the conditions completed, for those parcels the irrigable portion of which have been brought under cultivation by irrigation.

(*g*) The sale to be cancellable for non-payment of the purchase price or for failure to comply with any of the conditions of sale.

(*h*) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendations and submit the same for approval.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th November, 1916, from the Minister of the Interior, stating that Mr. Robert John Wilson obtained pre-emption entry for the North West quarter of Section 9, Township 4, Range 30, West of the 2nd Meridian, on the 2nd August, 1910.

It is represented that Mr. Wilson met with an accident on 31st July, 1914, which resulted in both hands being broken at the wrist, rendering him a cripple for life.

That a medical certificate furnished by Dr. C. S. Knox of Superior, Wisconsin, U.S.A., dated 21st October, 1916, sets out that Mr. Wilson had a collective fracture of both arms and that the resulting union, especially in the right, is such that he could do but very little heavy work of any kind, and that he is not in a condition to carry on farming operations.

Mr. Wilson obtained patent for his homestead on the 18th November, 1914, having completed the ordinary duties, but from the evidence on file he does not appear to have performed any residence duties since. He claims to have had twenty-five acres in crop in 1915.

The Minister recommends, in view of the foregoing, that, under the provisions of sub-section 2 of Section 20 of the Dominion Lands Act, 1908, further residence on the part of the entrant be dispensed with, so that patent may be issued to Mr. Wilson upon proof being furnished, in the usual way, that the other conditions of the law have been fulfilled as to duties and payment.

The Committee concur in the foregoing recommendation and submit the same for approval.

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 17th November, 1916, from the Minister of the Interior, submitting that Mr. J. C. Shields, of Kamloops, British Columbia, has applied to the Department of the Interior to purchase under irrigation conditions the lands enumerated in the accompanying schedule, containing approximately an area of 1354·24 acres.

The Minister states that inspections as to the quality of the lands, the engineering features and the feasibility of the project have been made by officers of the Department of the Interior, who have reported that the lands are useless for agriculture without irrigation, that they can be made productive with the aid of water by artificial means and that from an engineering standpoint the project is practicable. The lands are vacant and available for the purpose.

The Minister therefore recommends that the lands enumerated in the accompanying schedule be sold to the applicant on the following terms and conditions:

(*a*) The lands sold to be brought under cultivation by irrigation.

(*b*) The purchase price to be at the rate of five dollars ($5.00) per acre, subject to a deduction of the cost of the irrigation works up to an amount no exceeding two dollars per acre ($2.00), and the amount so credited shall be deemed to be a payment in cash made on the date of sale. (*c*) The necessary water rights to be secured from the Provincial Government of British Columbia; no work to be done on the land until preliminary water rights are secured from the Province.

(*d*) The work to be commenced within one year from the date of the authorization by Order in Council of the sale and to be completed to the satisfaction of the Minister of the Interior within three years from such date, unless other dates are fixed by the provincial authorities in connection with the water rights, in which case the provincial dates may be accepted if approved by the Minister of the Interior,

(*e*) Examination to be made by engineers of the Department of the Interior on completion of the work.

(*f*) Patent to issue, when conditions completed, for those parcels, the irrigable portions of which have been brought under cultivation by irrigation

(*g*) The sale to be cancelled for non-payment of the purchase price or for failure to comply with any of the terms or conditions of sale.

(*h*) Prior to patent no transfer or assignment of the lands, or any rights therein, to be made without the consent of the Minister of the Interior.

The Committee concur in the foregoing recommendation and submit the same for approval.

Monday, the 4th day of December, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th November, 1916, from the Minister of the Interior, submitting as follows:—

That by chapter 22 of the statutes of the Province of Manitoba for 1913, hereinafter referred to as the Act of Incorporation, the inhabitants of the cities of Winnipeg and St. Boniface, of the town of Transcona, and of certain adjoining rural municipalities as specified and defined in that Act, all in that province, were made and declared to be a body politic and corporate under the name of the "Greater Winnipeg Water District" hereinafter referred to as the corporation. The short title of the Act of Incorporation is the "Greater Water Power District Act," and it has been amended by the following statutes of the Province of Manitoba: Chapters 46, 47 and 48 for 1914; chapters 29 and 30 for 1915, and by chapter 51 for 1916;

That by chapter 208 of the Dominion Statutes of 1913, certain privileges and powers were granted to the Corporation, namely: power to get and to take water including water from sources outside of the province of Manitoba; the erection and maintenance of all necessary works; the entrance upon all lands necessary for survey and other purposes in connection with such works; the purchase and occupation of necessary lands; the building of roads, tunnels and bridges, of telegraph, telephone and electric lines, and of all other necessary works and buildings; the diversion and alteration of any of such works or lines, or of streams and highways; and the doing of all other acts necessary for the construction, maintenance and operation of any work required for the purposes of the corporation; the preparation, submission, filing and inspection of maps, books of reference and plans shewing the works or parts of them; and the application for the purposes of the Committee of certain provisions of the Railway Act and of the "Act relating to the establishment and expenses of the International Joint Commission under the waterways Treaty of January the eleventh, nineteen hundred and nine, and to the said Treaty";

That the objects or purposes of the corporation are stated in section 5 of the Act of Incorporation, that section being as follows:—

"5. The objects of the corporation shall be the supplying of water from any permanent source, whether within or without the province, for the use of the inhabitants of the said district for all purposes. It shall be within the corporate authority of the corporation to extend its operation and exercise its powers, with said object, outside of the limits of this province, subject to its obtaining any legal rights that may be required therefor from the Dominion of Canada or any authority besides this province".

That to furnish the supply of water referred to, it became necessary to construct an aqueduct from Shoal Lake, a part of the Lake of the Woods, to the city of Winnipeg, a distance of 100 miles, approximately, and it also became necessary in connection with that work, and to secure the success of the purposes of the corporation, as set out in section 5 hereinbefore quoted, to build the railway referred to in section 1 of chapter 47, one of the amending Acts before mentioned;

That when this railway, which is now nearing completion, has been completed, a large tract of country which is now nearly altogether unsettled, and which was not suitable for settlement for agricultural purposes because of its remoteness from existing railways, will be opened to settlement mainly for agricultural purposes;

That the Mayor of the City of Winnipeg, who is the Chairman of the Administration Board provided for in the Act of Incorporation, has submitted, as such chairman, to the Minister, a scheme for the placing upon lands, adjacent to the railway now nearing completion between the city of Winnipeg and the Lake of the Woods, of settlers to be selected by the Land Settlement Committee of the Corporation from persons who have some experience in farming, and has applied for a reservation of the vacant and available Dominion lands within the following tract: the north half of township 7 and the whole of township 8 in range 13; the whole of township 7 and south half of township 8 in range 14; the north half of township 7 and south half of township 8 in range 15; all east of the principal meridian;

That the Chairman states that the Administration Board has been assured of the active assistance of the Government of the Province of Manitoba in the matter of making necessary local improvements, establishing schools and in promoting settlement generally within the tract above described;

That it is further represented that a Committee of the citizens of the City of Winnipeg comprising men experienced in the class of settlement intended, are co-operating in the plan, and have appointed an experienced man to take special charge of the work;

That the Chairman of the Administration Board has asked that, in connection with the settlement of the tract before referred to, certain concessions be granted as set forth below.

The Minister is of the opinion that the public interests would be served by giving effect to these requests, and he therefore recommends that, under the provisions of paragraph (*k*) of section 76 of the Dominion Lands Act of 1908, authority be granted for the carrying into effect of such concessions, that is to say:—

1. That the reservation of all vacant and available lands within the tract before described, be approved and confirmed, the Minister of the Interior to have power to vary the boundaries of the said reservation, as may appear to him to be advisable; and also to have power to cancel the reservation at any time after twelve months notice has been given in the *Canada Gazette* and in the *Manitoba Gazette*.
2. That within the tract so reserved no entries shall be granted or sales made except to persons who have been approved of by the Land Settlement Committee hereinbefore referred to.
3. That in respect of entries granted to such approved persons, the existing provisions of the said Act and regulations shall apply in so far as the same may be applicable, except as hereinafter set forth.
4. That the Land Settlement Committee be permitted to decide in what manner the holdings shall be subdivided and allotted, subject to the approval of the Minister of the Interior.
5. That the cultivation required in each case be approximately twenty per cent of the area of the land held under entry, a suitable reduction to be made if the Minister of the Interior is satisfied that such land is too difficult to break.
6. That the Land Settlement Committee be permitted to select a suitable central site comprising approximately thirty acres for the purpose of school, church and cemetery, the land so selected to be reserved for the purposes of the corporation.
7. That in respect of entries granted under the foregoing conditions, no applications for cancellation shall be accepted under the provisions of the Dominion Lands Act of 1908 and amendments, but the Department of the Interior shall be charged with the work of inspecting the land from time to time as the Minister of the Interior may deem necessary; and where such entries are found to be in default, cancellation proceedings may be instituted under the Act before referred to, and such cancellation proceedings shall be disposed of in the same way as in the case of ordinary entries.
8. That in the event of the cancellation of any entry, the lands affected thereby shall revert to the reservation and shall become subject to the conditions hereinbefore set forth.

9. That where any settler selected by the Land Settlement Committee is found to have already exhausted his right to a free homestead, a sale may be made to such settler upon such terms and settlement conditions as the Minister of the Interior may prescribe.
10. That the Minister of the Interior be authorized to make such orders, rules and regulations as are deemed necessary in cases which arise and for which no provisions are made herein.

The Committee concur in the foregoing recommendation and submit the same for approval.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, submitting that Mr. Gustav Julseth obtained homestead and pre-emption entries for the west half of section 7, township 32, range 2, west of the 4th meridian, on the 4th December, 1911, and that after performing about twelve months' residence, he developed tubercular trouble and has since returned to his native country, Norway, where he has been undergoing medical treatment ever since the year 1913. In support of the foregoing, the Department of the Interior has been furnished with reliable medical testimony, according to which authority there is no likelihood of Mr. Julseth ever recovering his health or being in a position to return to Canada with a view to completing the residence duties. With reference to the other conditions of the entries, Mr. Julseth has a brother farming in the vicinity who has undertaken to complete the necessary improvements and according to evidence submitted in this connection, a house valued at $100 has been erected and a total area of 175 acres has been brought under cultivation on the half section.

The Minister therefore recommends that the performance of further residence duties be waived under the provisions of section 20, s s. 3, of The Dominion Lands Act of 1908, and that patents issue for the half section on proof being furnished in the ordinary way that the other conditions of the entries have been completed and the preemption paid for as provided by the Act.

The Committee concur in the foregoing recommendation and submit the same for approval.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Secretary of State reports that upon a petition of more than one-fourth of the electors of the County of Annapolis, in the Province of Nova Scotia, praying that the Order in Council which brought The Canada Temperance Act into force in that County should be revoked, a vote was taken of all the electors, for and against the Act ;

And whereas such vote was taken on the 8th day of July, 1915, and subsequently the Returning Officer reported that the result was in favour of the petition and against the Act by a substantial majority ;

And whereas action was taken under chapter 53 of the Statutes of 1914, "An Act to amend the Canada Temperance Act," to void the election on the ground of the insufficiency of the petition above referred to and the irregularity of proceedings at the poll ;

And whereas such action was dismissed by the Honourable Mr. Justice Ritchie upon hearings at Annapolis Royal in August and September, 1916,—

Therefore His Excellency the Governor General in Council, in accordance with the report of the Returning Officer and the decision of the Honourable Court is pleased to declare that the Order in Council which brought The Canada Temperance Act into force in the County of Annapolis, in the Province of Nova Scotia, shall be and the same is hereby revoked, and that Part II of the said Act shall cease to be in force or effect in the said County from and after the date of the publication in the *Canada Gazette* of this Order in Council.

25-3 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of December, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the regulations for the disposal of quartz mining claims on Dominion lands, established by Order in Council, dated 13th August, 1908. under the authority of the Dominion Lands Act, provide that any person having discovered mineral in place may personally stake out a location not exceeding in area 1,500 feet square ; that no person shall hold in his own name, except by assignment, more than one such mineral claim on the same vein or lode, or within a distance of one-half mile ; that evidence must be furnished each year to show that the locator has done or caused to be done on the claim itself to the value of $100, or pay that amount to the Mining Recorder in lieu ; and that, after the sum of $500 has been so expended on the location or paid to the Recorder, the locator shall be entitled to a lease of the tract so staked for a term of years ; work done outside the claim, with intent to work the same, may, however, if such work has direct relation and is in direct proximity to the claim, be deemed to be work done on the claim, if to the satisfaction of the Mining Recorder ; and

Whereas representations have been made to the Department of the Interior that mineral of economic value exists in that portion of the Dominion of Canada bordering on Coronation Gulf near the mouth of the Coppermine River, in the Arctic region, but that no serious attempts have been made to explore or to develop the mineralized belt said to exist, owing to the very great difficulties experienced in reaching that remote region, and the very large initial cost involved in such an enterprise ; and

Whereas Fort Norman, at the mouth of Great Bear river, may be reached, during the short period of navigation, by rail to Fort McMurray and by river steamer on the Athabaska and Mackenzie rivers, but at that point the prospector is confronted by two very serious obstacles, that is, transportation from Fort Norman on the Mackenzie river to Fort Franklin on Great Bear lake, a distance of about one hundred miles, and from Fort Confidence at the head waters of Great Bear lake to the mouth of the Coppermine river, a distance of about one hundred and twenty miles ; and

Whereas it has been represented that the area prescribed by the regulations, while sufficient in those portions of the Dominion which are easily accessible, would not be an adequate basis of return for the risk and outlay which would necessarily be incurred in sufficiently improving the means of transportation to the mouth of the Coppermine river to enable the prospector to take in machinery and supplies, and that it is essential to the exploration and development of the mineral resources of that remote part of the Dominion that additional inducements be offered to prospectors who may have sufficient capital to undertake so expensive and so hazardous an enterprise ; and

Whereas it has been represented that an expenditure of at least $25,000 would be necessary to sufficiently improve the means of transportation from Fort Norman to admit of an expedition being sent in to prospect that part of the country during a period of one year, and it has been suggested that any individual or company prepared to expend during one year such an amount in prospecting and improving the means of transportation, be given permission, in consideration of such expenditure, to stake out and obtain entry for a greater number of mineral claims than is prescribed by the regulations ; and

Whereas the tract within which mineral of economic value is said to exist lies between the 108th and 118th Meridian of West Longtitude, and between the 66th and 68th degree of North Latitude ;

Therefore, His Excellency the Governor General in Council, in order to stimulate prospecting in that part of the country, is pleased to authorize and doth hereby authorize the grant to any prospector, whether individual or company, who expends during the calendar year, 1917 the sum of not less than $25,000 in actual prospecting operations within the tract above described, and in improving the means of access between Fort Norman and the mouth of the Coppermine river, entry under the provisions of the Quartz Mining Regulations for fifty mineral claims of the prescribed size, that is, one claim for each $500 expended, upon the following terms and conditions :—

(1) That the prospector shall, on or before the 31st day of December, 1917, furnish the Minister of the Interior with evidence supported by affidavit, and accompanied by vouchers, if required, to show that he has, during the calendar year 1917, expended the sum of not less than $25,000 in actual prospecting operations by recognized methods within the tract above described, and in improving the means of access between Fort Norman on the Mackenzie River and the mouth of the Coppermine River. The evidence submitted shall be in the form of a detailed statement, showing the amount expended in improving the means of access and the purpose for which each item of expenditure was incurred, and shall be accompanied by plans showing the position and character of the obstacle overcome, as well as the nature and cost of the improvements made. A separate statement in detail shall be furnished, showing the expenditures incurred in prospecting operations, and the exact nature of the work done at each point, and shall be accompanied by plans showing the particular tracts upon which the work set out in the detailed statement was performed.

(2) That the claims for which the prospector may desire to apply shall be staked out in the manner prescribed in the regulations, and application for entry therefor shall be made to the Mining Recorder for the district in due form before the expiration of the year 1917 ; provided, however, that the prospector, who has incurred during the year the expenditure of $25,000 above provided for, may stake out and obtain entry for more than one claim on the same vein or lode, or within a distance of one-half mile, notwithstanding the restrictions of section 13 of the regulations in this respect.

(3) Staking on behalf of a company prepared to incur the expenditure of not less than $25,000 for the purpose and in the manner provided for herein, shall be by some person or persons duly authorized by the company to do so, and accepted by the Minister of the Interior.

(4) That in staking and recording the claims and in retaining the same after entry therefor may have been granted, the prospector shall conform in every respect with the provisions of the regulations, with such exceptions as are provided for herein.

(5) The grantees of mineral claims within the tract described, who comply fully with the provisions of section 45 of the Quartz Mining Regulations in respect of each such claim, shall be entitled to receive a lease thereof under and in accordance with the provisions of the said regulations and of the Dominion Lands Act for a period of twenty-one years, at a rental to be fixed by order of the Governor in Council, renewable for a further period of twenty-one years, provided the lessee furnishes evidence to the satisfaction of the Minister of the Interior that during the term of the lease he has complied in every respect with the conditions of such lease and the provisions of the regulations, and subject to renewal for additional periods of twenty-one years each, on such terms and conditions as may be prescribed by the Governor in Council.

(6) That the entries or leases which may be issued for mineral claims staked within the tract described shall reserve to the Crown such royalty on the sales of the products of the mines as may from time to time be specified by order of the Governor in Council, the royalty to be collected in such manner as may be prescribed by the Minister of the Interior.

(7) All entries or leases which may be issued under the authority herein contained shall be subject to the provision that ores or other deposits of mineral of commercial value taken or mined from the claims described in such entries or leases shall not be exported for smelting, refining or other treatment, but shall be smelted, refined or otherwise treated entirely within

the limits of Canada, under the provisions of such regulations as the Governor in Council may enact.

(8) The evidence of expenditure submitted by the prospector shall in all cases be to the satisfaction of the Minister of the Interior, otherwise the prospector's right to receive entries for claims shall be that prescribed in the regulations for the disposal of quartz mining claims.

(9) That applications for entries for mineral claims staked during the calendar year 1917 within the tract above described shall not be finally considered by the Mining Recorder, and entries therefor shall not be granted except during the last twenty days of the said calendar year.

26-4 Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council is pleased to order that the regulations governing the granting of yearly licenses and permits to cut timber on Dominion lands, established by Order in Council of the 1st July, 1898, and subsequent Orders in Council, shall be and the same are hereby amended by adding the following thereto :—

1. In any case where waters flowing through, over, or along, or having their source in any timber berth, empty into any stream, or are tributary to any stream from which a domestic or municipal water supply is or may be obtained, or in any case where the pollution of any such waters may, in the opinion of the Minister, deleteriously affect any municipal or domestic water supply, the licensee of such timber berth shall comply with the following regulations :

(*a*) Locate all camp buildings, outhouses, cesspools, and other structures at a sufficient distance from any stream, lake or other source of water supply to prevent the pollution of such municipal or domestic water supply.

(*b*) Immediately remove and burn any camp refuse or debris of any description, or any substance which would be likely to cause the pollution of any such waters, and otherwise keep the ground in the vicinity of all logging camps in a neat, orderly and sanitary condition.

(*c*) Prevent any depositing, leaving or accumulating in any stream, lake or other source of water supply within the berth, or in an exposed or unsanitary condition on the berth, any debris of any description or any substance which would be likely to cause the pollution of such waters.

(*d*) Prevent the depositing or leaving by any person employed or purporting to be employed about the berth, or the accumulation as a result of any operations carried on by reason of the license in any stream, lake or other source of such water supply on any Dominion lands whatever, or in an exposed or unsanitary condition on any such lands, any such debris or substance.

(*e*) Observe all laws and regulations respecting sanitation and the protection of the purity of waters which are applicable to the premises, or any regulations which may be promulgated by the Governor in Council ; and shall also comply with any requirements which may be made by the Minister for the purpose of carrying out the above provisions.

2. For each infraction of the provisions of clause (1) hereof, the licensee shall, in addition to the other penalties provided in the said regulations, be liable on summary conviction to a penalty not exceeding one hundred dollars, and such sum shall be recoverable with costs at the suit of, and in the name of the Crown.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of December, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 6th December, 1916, from the Minister of the Interior, submitting that Mr. John R. Welch, of Grenfell, Saskatchewan, purchased at the auction sale of school lands held at Broadview in June, 1916, the northeast quarter of Section 29, Township 16, Range 7, west of the 2nd Meridian, which is now entered in the records of the Department as a sale in his name.

A communication was subsequently received from the Department of Militia and Defence stating that it was found necessary in the public interest that that Department should obtain control of this quarter section as it was urgently needed in connection with a Rifle Range at that point, and stating, also, that an arrangement has been made with Mr. Welch under which he agreed to exchange the northeast quarter of section 29 in question for the southeast quarter of the same section, provided this Department would be willing to authorize the exchange.

Before taking any steps in that direction, however, it was decided to have an inspection made of the two quarter sections to ascertain the value of each.

The report of Inspector Evans has since been received, and he states that there is very little, if any, difference in the value of the two quarter sections, the northeast quarter, which it is proposed that Mr. Welch should surrender, being possibly the more valuable. The Inspector further states that Mr. Welch is quite willing to surrender the northeast quarter provided he obtains entry for the southeast quarter in place of it.

Under these circumstances, and as the Minister is of the opinion that it would be in the public interest that the Department of Militia and Defence should be allowed the use of the northeast quarter of the section in connection with the Rifle Range at that point, he recommends that he be authorized to carry out the proposed exchange, that is, to cancel the entry of Mr. Welch for the northeast quarter and to grant his entry for the southeast quarter in place of it, and that, on this being done, the Department of Militia and Defence be allowed the use of the northeast quarter of the said section for Rifle Range purposes.

The Committee concur in the foregoing recommendation and submit the same for approval.

26-4 Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE ADMINISTRATOR IN COUNCIL.

HIS Excellency the Administrator in Council, under the provisions of The War Measures Act, 1914, is pleased to make the following regulation and the same is hereby made and established accordingly :—

1. Notwithstanding any provision in The Dominion Lands Act or in any act amending the same, during the present war and thereafter until otherwise ordered, no application for an entry for a homestead shall be granted unless the person making the application was at the commencement of the present war, and has since continued to be, a British subject or a subject of a country which is an ally of His Majesty in the present war, or a subject of a neutral country, and unless he establishes the same to the satisfaction of the Minister of the Interior.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of November, 1916.

PRESENT .

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them are port, dated 22nd November, 1916, from the Minister of the Interior, submitting that applications have been made by certain half-breeds and others, who have been in occupation for several years, of small lots comprising areas varying from five to ten acres in the Grand Rapids Settlement, at the mouth of the Saskatchewan River, at the head of Lake Winnipeg, in the Province of Manitoba, and that their claims have been especially investigated and a survey made of their holdings by a Dominion Land Surveyor in the permanent employ of the Department of the Interior, who has recommended that the lots they occupy be leased to the applicants instead of being disposed of to them outright, as in the latter case it is feared that their holdings might be acquired from them for speculative purposes.

The Minister is of the opinion that the lots in question should be disposed of in the manner above suggested, and he, therefore, recommends that he be authorized to issue leases to the respective applicants for the lots appearing opposite their names as hereinafter set forth, for a term of ten years at a nominal annual rental of $1, subject to residence upon the land and renewable at the expiration of that period for a further term of ten years at the discretion of the Minister of the Interior, such leases to be non-assignable and subject to cancellation at any time by the Minister of the Interior in the event of the lessees ceasing to reside upon the land.

The applicants and the lands to be leased to them are as follows :—

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

TRIBUNAUX DES PRISES PORTUGAIS.

FOREIGN OFFICE,
11 novembre 1916.

RELATIVEMENT à la note qui fut publiée dans la *London Gazette* du 30 mai dernier, la traduction du décret portugais n° 2565 du 14 août 1916, concernant les procédures dans les tribunaux des prises portugais, se lit comme suit :

(TRADUCTION.)

Décret No 2565 (14 août 1916).

Article 1.—La manière de procéder par-devant les tribunaux des prises sera en la forme sommaire établie par le décret n° 3 du 29 mai 1907, avec les modifications telles qu'établies par les articles suivants :

Article 2.—En faisant une déclaration de réclamation le plaignant demandera que le défendeur soit avisé de produire au bureau du registraire, sous la période établie de cinq jours, une déclaration de défense donnant toute sa défense.

Paragraphe 1.—Au sujet de l'article 36 du décret n° 2350 du 20 avril 1916, l'action sera prise contre l'administrateur-dépositaire, ou l'avocat, et en même temps, demande devra être faite de sa nomination et d'une sommation à l'effet de le faire comparaître.

Paragraphe 2.—Lorsque la chose est nécessaire, le juge s'occupera immédiatement de faire cette nomination, et dans le même ordre, il ordonnera que la sommation soit émise. Cette sommation doit être signifiée dans les vingt-quatre heures.

Article 3.—Si l'on a demandé de faire entendre des témoins, alors, durant les trois jours après que la déclaration de défense aura été produite, ou une plus longue période qui pourra être accordée à cet effet, au plus trois témoins amenés par chacune des parties seront entendus, sans permettre aucune procédure interlocutoire ou autre délai ; et, le jour suivant, le juge rendra un jugement provisoire. Avis de ce jugement sera signifié dans les vingt-quatre heures, ou il pourra être rendu public à une séance du tribunal, et dès lors il sera en pleine vigueur et deviendra exécutoire.

Article 4.—A la fin des procédures ci-dessus mentionnées, la cause, selon sa classification, sera assignée à un registraire du tribunal. Le plaignant pourra alors répondre à la déclaration de défense déjà produite ; cette réponse doit être produite, et les autres procédures indiquées dans les articles 5 et suivants du décret n° 3 du 29 mai 1907, devront être terminées sous 5 jours après avoir reçu avis du jugement provisoire ou après que ce dit jugement aura été publié.

Paragraphe unique.—S'il n'y avait pas eu de déclaration de défense ou si elle est déclarée inutile, le jugement provisoire deviendra final.

Article 5.—Après le jugement final rendu dans les procédures des prises, il pourra en être appelé de ce jugement directement au Supremo Tribunal de Justiça (au tribunal Suprême de Justice,) où il sera pris connaissance des vices de forme allégués, et des appels interlocutoires qui peuvent être pendants; aucun autre appel n'étant permis.

Article 6.—L'expertise en matière de navires, faite par les comités techniques, qui est traitée à l'article 29* du décret n° 2350, est une preuve suffisante pour jugement provisoire et jugement final.

Article 7.—Les jugements ordonnant la retenue de la capture, qu'ils soient provisoires ou finals, seront communiqués directement par les juges qui les ont rendus au Ministère des Affaires Etrangères dans le but de s'assurer s'ils ne tombent pas sous le coup de l'article 2 de la 12e Convention de la Haye d'octobre 1907, approuvé par le décret du 24 février 1911.

Article 8.—Le représentant légal de l'Etat interviendra toujours comme partie principale dans les procédures des prises, sans préjudice aux intérêts légitimes de toute autre personne qui sera co-plaignante dans cette cause.

Article 9.—Il n'y aura pas de délais dans les procédures dont il est question dans ce décret.

Article 10. - Le présent décret deviendra immédiatement en vigueur, et toutes dispositions qui lui sont contraires sont révoquées.

Les Ministres de tous les département en prendront connaissance en conséquence et ils s'assureront de son exécution.

HOTEL DU GOUVERNEMENT À OTTAWA.

Mercredi, le 29e jour de novembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

ATTENDU que le paragraphe 3 de l'article 2 de la *Loi minière du Yukon* prescrit que " nonobstant " toute disposition de ladite loi, ses dispositions ne " s'appliquent pas aux terres aliénées ou louées pour " des fins minières par l'hydraulique par un bail con- " senti avant le 1er jour d'août 1916, qui a été ci-devant " annulé ou qui peut l'être ci-après par ordre du Mi- " nistre de l'Intérieur ou sous l'autorité d'un arrêté du " Gouverneur en conseil tant que ces terres n'ont pas

" été assujéties à ces dispositions par arrêté du Gouver-
" neur en conseil."

Et attendu que le bail minier hydraulique n° 47 a été délivré le 30 août 1905 pour une période de 21 ans, à dater du 21e jour de mars 1905 à William Charles Thompson de Dawson pour un lopin de terre situé sur la ravine Dublin, un embranchement du Creek Haggart, un affluent de la rivière McQuesten, dans le Territoire du Yukon, mesurant 3.21 milles de front le long de ladite ravine Dublin sur une profondeur de ½ mille de chaque côté de ladite ravine lequel bail fut transporté à la compagnie dite " Dublin Hydraulics," à responsabilité limitée, le 29e jour de juillet 1911 ;

Et attendu que le bail n° 47 susmentionné a été rescindé par un décret du Ministre de l'Intérieur en date du 26e jour d'octobre 1915 parce que les preneurs avaient négligé de se conformer aux conditions du bail et aux règlements en vertu desquels ledit bail avait été accordé,—

A ces causes, il plaît à Son Excellence le Gouverneur en conseil de décréter par les présentes qu'à midi précis le lundi, 5e jour de février 1917, la partie disponible et inaliénée de la concession minière hydraulique décrite dans le bail n° 47 accordé à William Charles Thompson le 30e jour d'août 1905, devienne sujette aux dispositifs de la *Loi minière du Yukon*, en vertu du paragraphe 3 de l'article 2 de ladite loi plus haut citée.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 23 novembre 1916, représentant que Frank Nylund, russe de naissance, a obtenu, en 1911, l'inscription de homestead du quart nord-est de la section 14, township 59, rang 20, à l'ouest du 4e méridien ;

Sur représentation que cet inscrit a abandonné sa femme et quitté le pays, des mesures ont été prises pour annuler son inscription afin que le terrain en question soit disponible pour sa femme qui y a continuellement résidé ;

Il ressort du rapport d'un inspecteur de homestead que madame Nylund a continué à travailler sur ce quart de section et désire en obtenir la possession mais trouve impossible d'obtenir un certificat de naturalisation de sujet britannique ainsi que prescrit au paragraphe 3 de l'article 25 de la Loi des terres fédérales,—

Par conséquent le Ministre recommande qu'il soit autorisé sous l'empire du paragraphe (L) de l'article 76 de la *Loi des terres fédérales* de vendre le terrain susdit à madame Nylund au prix de $1 l'acre, et que patente dudit terrain soit délivrée à la requérante sur preuve fournie de la manière ordinaire que les obligations d'établissement pour les trois années réglementaires ont été complétées depuis la date de la désertion de son mari et que le prix total du terrain a été payé.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 13 novembre 1916, représentant que le 22 août 1916, M. Robert John Wilson a obtenu l'inscription de préemption du quart nord-ouest de la section 9, township 4, rang 30, à l'ouest du 2e méridien ;

Il a été représenté que le 31 juillet 1914, M. Wilson a été victime d'un accident dans lequel il eut les deux poignets fracturés, ce qui le prive de l'usage de ses mains et le rend infirme pour la vie ;

Un certificat médical du docteur C. S. Knox de Superior Wisconsin, E.U.A., en date du 21 octobre 1916, certifie que M. Wilson a subi une fracture collective des deux bras et que la réduction, surtout celle du bras droit, est telle qu'il se trouve dans l'impossibilité de faire un dur travail et de poursuivre les opérations de la ferme.

M. Wilson a obtenu une patente pour son homestead le 18 novembre 1914 après avoir rempli les obligations ordinaires mais d'après la preuve déposée il n'appert pas qu'il a rempli depuis aucune autre obligation de résidence.

Il prétend qu'en 1915 il avait 25 acres en culture.

A ces causes le Ministre recommande sous l'empire du paragraphe 2 de l'article 20 de la Loi de 1908 des terres fédérales de relever le dit inscrit de toute autre obligation de résidence, afin qu'une patente soit délivrée à M. Wilson sur preuve fournie de la manière ordinaire que les autres conditions de la loi ont été remplies en ce qui concerne les obligations et les redevances.

Le comité agrée cette recommandation et la soumet pour approbation.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, de Cache Creek, Colombie-Britannique, a fait la demande au Département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, 307.9 acres de terrain consistant en lopins fractionnaires entourant la propriété principale de la compagnie près de Cache Creek, dans la zone des chemins de fer de la Colombie-Britannique, l'intention de la compagnie étant d'établir sur le tout un système d'irrigation.

Le Ministre représente qu'après inspection les fonctionnaires du département de l'Intérieur ont fait rapport que sans irrigation les dits terrains sont impropres à l'agriculture et que l'irrigation en est possible pourvu qu'on puisse se procurer l'eau nécessaire à cette fin.

Par conséquent, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à la compagnie dite "Western Canadian Ranching Company," à responsabilité limitée, aux conditions suivantes:

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars ($2) l'acre, et le montant ainsi déduit sera considéré un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit: Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de la dite autorisation ou avant l'expiration des dites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à cinq pour cent par année.

(*c*) Les droits d'eau nécessaires doivent être obtenus du gouvernement provincial de la Colombie-Britannique, et il ne doit se faire aucuns travaux sur les dits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auxquels cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen de l'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix d'achat ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente, les dites terres, ou tous droits en rapport avec icelles, ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 17 novembre 1916, représentant que M. J. C. Shields de Kamloops, Colombie-Britannique, a fait la demande au département de l'Intérieur d'acheter, sujet aux conditions d'irrigation, les terrains énumérés dans l'annexe aux présentes et contenant approximativement une superficie de 1354·24 acres.

Le Ministre représente qu'après inspection pour déterminer la valeur des dites terres, les travaux à faire et la praticabilité du projet, les fonctionnaires du Département de l'Intérieur ont fait rapport que les dites terres sont impropres à la culture sans irrigation, qu'on peut les rendre productives en y conduisant de l'eau par des moyens artificiels et qu'au point de vue du génie les travaux sont praticables. Les dits terrains sont vacants et disponibles à ces fins.

A ces causes, le Ministre recommande que les terrains énumérés dans l'annexe aux présentes soient vendus à M. Shields aux termes et conditions qui suivent :—

(*a*) Les dits terrains doivent être mis en culture au moyen d'irrigation.

(*b*) Le prix sera de $5 l'acre, sujet à un rabais au montant du coût des travaux d'irrigation jusqu'à une somme n'excédant pas deux dollars l'acre ($2), et le montant ainsi déduit sera considéré comme un versement comptant fait à la date de la vente. Le dit prix d'achat est payable comme suit :

Un dollar ($1) l'acre au cours de l'année qui suit la date de l'autorisation de la vente par le Gouverneur en conseil, et la balance au cours des trois années qui suivent la date de ladite autorisation ou avant l'expiration desdites trois années dès que seront remplies toutes les autres conditions de la vente, avec intérêt à 5% par année.

(*c*) Les droits d'eau nécessaire doivent être obtenus du gouvernement provincial de la Colombie-Britannique et il ne doit se faire aucuns travaux sur lesdits terrains sans qu'au préalable les droits d'eau ne soient obtenus de la province.

(*d*) Les travaux doivent se commencer un an au plus de la date de l'arrêté en conseil autorisant la vente et

doivent se parachever à la satisfaction du Ministre de l'Intérieur trois ans au plus de la dite date, à moins que d'autres dates ne soient fixées par les autorités provinciales en rapport avec les droits d'eau, auquel cas les dates provinciales peuvent être acceptées sur le consentement du Ministre de l'Intérieur.

(*e*) A l'achèvement des travaux les ingénieurs du Département en feront l'inspection.

(*f*) Quand les conditions seront remplies, il sera délivré une patente pour ceux de ces terrains dont les parties irrigables auront été mises en culture au moyen d'irrigation.

(*g*) La vente sera rescindée à défaut de paiement du prix ou si aucun des termes ou aucune des conditions de la vente n'est pas rempli.

(*h*) Avant l'émission de la patente les dites terres ou tout droit en rapport avec icelles ne peuvent être transférés ou cédés sans le consentement du Ministre de l'Intérieur.

Le comité agrée cette recommandation et la soumet pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 4 décembre 1916, représentant que, sous l'empire d'un arrêté en conseil du 13 août 1913, un permis d'occupation fut accordé le 11 octobre suivant à la compagnie dite " Prince Albert Lumber Company, Limited," relativement à certains terrains compris dans les townships 53, 54 et 55, rang 1 ; les townships 51 et 52, rang 2 ; les townships 52, rangs 3 et 4, le tout à l'ouest du troisième méridien, ainsi que le township 54, rang 28, à l'ouest du 2e méridien, formant une superficie totale de 518·7 acres. Le dit permis d'occupation a été accordé pour une période de dix ans à l'expiration de laquelle il est, à la discrétion du Ministre de l'Intérieur, renouvelable pour une autre période de dix ans, sujet aux termes et conditions ordinaires et sur paiement à l'avance d'un loyer annuel de dix cents l'acre.

Le ministre déclare que la dite compagnie n'a pas un besoin immédiat de certains des terrains ci-haut mentionnés quelle détient ainsi par permis et en a rétrocédé à la Couronne pour le Dominion une superficie de 281 acres.

Le ministre recommande que le dit permis d'occupation soit modifié en conséquence.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 14 janvier 1910, M. John Marshall, a obtenu une inscription de préemption pour le quart nord-est de la section 33, township 7, rang 10, à l'ouest du 3e méridien ;

Il a été représenté que le dit inscrit a fait trois termes de résidence en satisfaction de son inscription de homestead mais ne s'est pas conformé à ses obligations de résidence relativement à son inscription de préemption. Il appert que les obligations de culture ont été remplies ;

Il a été représenté au Département de l'Intérieur que M. Marshall est âgé maintenant de 86 ans et désormais tout à fait incapable de travailler et de remplir ses obligations de résidence sur le dit terrain ; qu'il lui faut les soins de sa famille pour le reste de ses jours et que, par conséquent, il lui est impossible de remplir aucune autre obligation de résidence en satisfaction soit de sa préemption soit de son homestead,—

Le Ministre soumet une copie d'un certificat médical et, vu les représentations y contenues, recommande que M. Marshall soit relevé de toutes autres obligations de résidence, sous l'empire du paragraphe 2, de l'article 20, de la *Loi des terres fédérales*, (chapitre 20, 7–8 Edouard VII), aux fins de permettre l'émission d'une patente au nom de M. Marshall, sur preuve fournie de la manière ordinaire, que les autres conditions de la loi ont été remplies et que le prix d'achat a été payé.

Le comité soumet cette recommandation pour approbation.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 19 mai 1903, William Henry Moore a obtenu une inscription de homestead pour le quart sud-ouest de la section 24, township 21, rang 1, à l'ouest du 1er méridien, dans la province de Manitoba ;

Il appert de la preuve déposée que l'inscrit a résidé sur ce quart de section pendant six ou huit mois chaque année de 1904 à 1908, inclusivement, mais il lui est impossible de donner les dates du commencement et de la fin de chacune des périodes de sa résidence, et il lui est aussi impossible de trouver des témoins qui pourraient fournir ces renseignements ;

Il a été constaté que M. Moore a construit deux maisons sur le dit terrain et que toutes deux ont été détruites par le feu ;

Il appert aussi que M. Moore, aux époques de sa résidence sur le dit terrain, a été propriétaire de dix-huit têtes de bétail en moyenne,—

A ces causes, prenant en considération le fait que, apparemment, les obligations d'établissement prescrites par la loi ont été remplies et que le seul obstacle à l'émission d'une patente est l'impossibilité de fournir tous les détails concernant la résidence, le Ministre recommande qu'il soit autorisé, sous l'empire du paragraphe (*l*) de l'article 76 de la *Loi des terres fédérales*, chapitre 20, 7-8 Edouard VII, de vendre le dit homestead à M. Moore à raison de $1 l'acre, en lieu et place de toutes autres obligations de résidence, la dite vente devant être une forclusion des droits du dit M. Moore à un homestead gratuit.

Le comité agrée cette recommandation et la soumet pour approbation.

Jeudi, le 14e jour de décembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENÉRAL EN CONSEIL.

ATTENDU que les règlements pour la vente des claims de mines quartzeuses sur les terres fédérales, établis par un arrêté en conseil du 13 août 1908 sous l'empire de la *Loi des terres fédérales*, prescrivent que toute personne qui a découvert du minerai en place peut jalonner personnellement un claim dont la superficie n'excède pas 1500 pieds carrés ; de plus que nulle personne en son propre nom, sauf par cession, peut détenir plus d'un claim minier sur la même veine ou le même filon, ou à une distance de moins d'un mille de cette veine ou de ce filon ; que la preuve soit fournie chaque année que celui qui a délimité le claim, y a fait exécuter des travaux pour une valeur d'au moins $100, ou, à défaut d'exécution de ces travaux, a payé cette somme au régistrateur des mines ; et qu'après que la somme de $500 a ainsi été dépensée sur le claim ou payée au régistrateur, celui qui a jalonné le claim a droit à un bail du terrain ainsi jalonné pour une certaine période d'années. Toutefois, les travaux exécutés en dehors du claim (avec l'intention de l'exploiter), si ces travaux sont en rapport direct avec le claim et dans son voisinage immédiat, seront considérés comme ayant été exécutés sur le claim même, si le régistrateur minier y consent.

Et attendu que des représentations ont été faites au Département de l'Intérieur qu'il existe des minéraux de valeur économique dans cette partie du Canada située sur le golfe Coronation, près de l'embouchure de la rivière Coppermine, dans la région arctique, mais qu'on n'a fait encore aucun effort sérieux pour explorer ou développer la zone minérale qu'on dit y exister, à cause des grandes difficultés qu'on a éprouvées pour atteindre cette région lointaine et les frais préliminaires d'une telle entreprise.

Et attendu qu'on peut atteindre le Fort Norman, à l'embouchure da la rivière Great Bear, au cours de la courte saison de navigation, par chemin de fer à partir du fort McMurray et par bateau sur les rivières Athabaska et Mackenzie, mais qu'à cet endroit le prospecteur rencontre deux obstacles très sérieux, savoir : le transport de Fort Norman, sur la rivière Mackenzie, à Fort Franklin sur le lac Great Bear, une distance d'en, viron 100 milles, et de Fort Confidence à la source du lac Great Bear jusqu'à l'embouchure de la rivière Coppermine, une distance d'environ 120 milles.

Et attendu qu'il a été représenté que l'étendue de terrain prévue aux règlements, quoique suffisante dans les districts d'accès facile, ne pourrait offrir une garantie adéquate pour le risque et les frais qu'il faudrait nécessairement encourir en améliorant les moyens de transport jusqu'à l'embouchure de la rivière Coppermine, afin de permettre au prospecteur d'y transporter son outillage et ses approvisionnements, et qu'il est essentiel à l'exploitation et au développement des res sources minières de cette région éloignée du pays d'offrir des avantages spéciaux aux prospecteurs qui peuvent avoir le capital nécessaire pour s'engager dans une entreprise aussi coûteuse et hazardeuses.

Attendu qu'il a, aussi, été représenté qu'une dépense d'au moins $25,000 serait nécessaire pour améliorer suffisamment les moyens de transport à partir de Fort Norman pour permettre à une expédition d'atteindre cette région et de l'explorer pendant un an, et qu'il a été suggéré qu'en considération de telles dépenses il soit permis à tout particulier ou à toute compagnie s'engageant à dépenser cette somme dans une année, en explorations et en améliorations des moyens de transport, de jalonner un plus grand nombre de claims miniers qu'il n'est prescrit par les règlements et d'en obtenir l'inscription.

Et attendu que la région où l'on prétend que gisent ces dépôts de minéraux de valeur économique est située entre les 108e et 118e méridiens de longitude ouost, et entre les 66e et 6e degrés de cette latitude nord ;

Par consequent, il plaît à Son Excellence le Gouverneur général en conseil, afin de stimuler la recherche des gisements de minéraux dans cette partie du pays, d'autoriser par ces présentes la concession à tout prospecteur, soit particulier ou compagnie, qui dépense au cours de l'année civile 1917 la somme d'au moins $25,000 en travaux d'exploration dans la région ci-dessus décrite et en améliorations des moyens de transport entre Fort Norman et l'embouchure de la rivière Coppermine, sous l'empire des dispositions des règlements concernant les mines quartzeuses. de cinquante claims de la grandeur prescrite, soit un claim pour chaque $500, aux conditions suivantes :

(*l*) Le prospecteur doit le ou avant le 31e jour de décembre 1917 fournir au Ministre de l'Intérieur la preuve confirmée par affidavit et accompagnée de pièces justificatives, s'il est ainsi exigé, démontrant qu'au cours de l'année civile 1917 il a dépensé la somme d'au moins $25,000 en travaux d'exploitation, selon les méthodes reconnues, dans les limites de la région ci-dessus décrite et en améliorations des moyens de transport entre Fort Norman sur la rivière Mackenzie et l'embouchure de la rivière Coppermine. Cette preuve doit être sous forme d'état détaillé indiquant le montant dépensé en amélioration des moyens de transport, ainsi que les fins auxquelles chaque item de dépense a été appliqué ; y seront joints des plans indiquant la position et la nature de l'obstacle qu'il a fallu surmonter, ainsi que la nature et le coût des améliorations. Doit être de plus fourni un état détaillé distinct, montrant les dépenses encourues en travaux d'exploration et la nature exacte des travaux exécutés à chaque endroit ; aussi des plans montrant les endroits particuliers où ont été exécutés les travaux mentionnés dans l'état détaillé.

(2) Les claims dont le prospecteur demande la concession doivent être jalonnés de la manière prescrite par les règlements, et la demande d'inscription doit être faite au régistrateur minier du district en bonne et due forme avant l'expiration de l'année 1917. Tontefois, le prospecteur qui au cours de l'année a fait la dépense de $25.000 ci-dessus prescrite peut jalonner plus d'nn claim sur la même veine ou le même filon et en obtenir l'inscription, ou dans un rayon d'un demi-mille de cette veine ou filon, nonobstant les restrictions de l'article 13 des règlements à ce sujet.

(3) La délimitation de claims pour une compagnie qui est prête à encourir une dépense d'au moins $25,000 pour les fins susdites et de la manière ici prescrite, peut être faite par toute personne ou toutes personnes dûment autorisées par la compagnie et acceptées par le Ministre de l'Intérieur.

(4) Dans la délimitation et l'enregistrement de claims et pour les retenir après que l'inscription a été accordée, le prospecteur doit se conformer sous tous rapports aux prescriptions des règlements, sauf telles exceptions qui peuvent être ici prévues.

(5) Les concessionnaires de claims miniers dans les limites de la région ci-dessus décrite qui se conforment en tout aux prescriptlons de l'article 45 des règlements des mines quartzseuses en ce qui concerne chacun de ces claims, ont droit à la cession du bail de ces claims sous l'empire des dispositions des dits règlements et de la loi des terres fédérales pour une période de 21 ans, au loyer qui sera fixé par un décret du Gouverneur en conseil, le bail étant renouvelable pour une autre période de 21 ans dès que le concessionaire aura fourni au Ministre de l'Intérieur la preuve satisfaisante qu'au cours de la durée du bail il s'est conformé sous tous rapports aux conditions du dit bail et aux prescriptions des règlements ; de nouveaux renouvellements pourront être accordés pour des périodes aditionnelles de 21 ans chacune, aux termes et conditions que prescrira le Gouverneur en conseil.

(6) La patente ou le bail d'un claim minier dans la région ci-dessus décrite réserve a la Couronne un droit régalien sur les ventes des produits des mines qui sera déterminé de temps à autre par décret du Gouverneur en conseil et sera perçu de la manière prescrite par le Ministère de l'Intérieur.

(7) Toutes les patentes émises ou les baux cédés en vertu des pouvoirs ici conférés sont sujets à la restriction que les minerais ou autres dépôts de minéraux de valeur commerciale extraits des claims et décrits dans ces patentes ou baux ne seront pas exportés pour réduction, raffinage ou autre traitement, mais devront

être réduits, raffinés ou autrement traités exclusivement dans les limites du Canada et conformément aux prescriptions des règlements que le Gouverneur en conseil peut établir.

(8) La preuve de la dépense encourue par le prospecteur doit dans tous les cas être à la satisfaction du Ministre de l'Intérieur ; sinon le droit du prospecteur à la patente de ces claims ne sera autre que celui prescrit par les règlements concernant les claims de mines quartzeuses.

(9) Les demandes de patente pour les claims miniers délimités au cours de l'année civile de 1917 dans la région ci-dessus décrite ne seront prises en considération définitive par le régistrateur minier et les patentes de ces claims ne seront accordées que dans les derniers vingt jours de la dite année civile

Lundi, le 4e jour de décembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 novembre 1916, représentant ce qui suit :—

Le chapitre 22 des statuts de 1913 de la province du Manitoba ci-après désigné sous le nom de "Loi d'incorporation," a constitué en corps politique et incorporé, sous le nom "The Greater Winnipeg Water District," ci-après désigné "la corporation," les résidents des cités de Winnipeg et St-Boniface, de la ville de Transcona et de certaines municipalités rurales adjacentes mentionnées et désignées dans la dite loi. La loi d'incorporation est désignée sous le nom de "Greater Water Power District Act," a été modifiée par les statuts suivants de la législature du Manitoba, savoir : chapitres 46, 47 et 48 de 1914, chapitres 29 et 30 de 1915 et chapitre 51 de 1916.

Le chapitre 208 des statuts fédéraux de 1916 accorde à la dite corporation certains privilèges et pouvoirs, savoir ; le droit de se procurer et prendre de l'eau, y compris de l'eau provenant de sources hors la province de Manitoba ; l'érection et le maintien de tous travaux nécessaires ; l'entrée sur tous terrains pour y faire des arpentages ou pour d'autres fins en rapport avec les dits travaux ; l'achat et l'occupation des terrains nécessaires ; la construction de chemins, tunnels et ponts, de lignes téléphoniques et télégraphiques et électriques, et de tous autres travaux et constructions nécessaires ; le détournement et l'altération d'aucuns de ces travaux ou d'aucune de ces lignes ou des cours d'eau ou grandes routes ; et tous autres travaux nécessaires pour la construction, le maintien et le fonctionnement de tout ouvrage nécessaire aux fins de la corporation ; la préparation, la soumission, le classement et l'inspection des cartes, livres de renvoi et tracés indiquant les travaux pour toute partie d'icelle ; et la mise en vigueur pour les fins de la commission de certains dispositifs de la Loi des chemins de fer et de la Loi concernant l'établissement et les dépenses de la commission conjointe internationale sous l'empire du traité des eaux navigables portant la date du 11 janvier 1909.

L'article 5 de la Loi d'Incorporation donne à la dite corporation les objets et buts suivants :—

5. La dite corporation aura pour objet d'approvisionner pour toutes fins les résidents du dit district d'eau tirée de sources quelconques soit dans, soit hors la province. La dite corporation a le droit d'étendre et d'exercer les droits à elle conférés à ces fins hors les limites de cette province, sujet néamoins à son obtention de tous droits légaux nécessaires à ses fins du Gouvernement du Canada ou de toute autre autorité extra provinciale.

Pour fournir l'approvisionnement d'eau ci-haut mentionné il a fallu construire un aqueduc du lac Shoal, une partie du lac des Bois, à la cité de Winnipeg, une distance d'environ cent milles, et il a fallu en rapport avec ces travaux et pour mener à bonne fin l'objet de la Corporation, tel que mentionné dans l'article 5 susmentionné, construire le chemin de fer mentionné à l'article 1 du chapitre 47, l'une des lois qui tel que susmentionné modifie la *Loi d'incorporation*. Quand aura été construit ce chemin de fer, dont le parachèvement est prochain, il sera ouvert à la colonisation, pour des fins de culture surtout, une grande étendue de terrain qui aujourd'hui est presque complètement dépourvue de colons à cause de son éloignement des chemins de fer actuels.

Le maire de la cité de Winnipeg, qui est le president du bureau d'administration établi par la Loi d'incorporation, en sa qualité de président, a soumis au ministre un projet pour établir sur les terres adjoignant le chemin de fer qui doit s'achever prochainement entre la cité de Winnipeg et le Lac-des-Bois des colons devant être choisis par le comité de colonisation de la dite corporation parmi des gens qui ont certaine expérience en agriculture et le dit maire a demandé que les terres fédérales suivantes qui sont vacantes et disponibles soient réservées à ces fins : la moitié nord du township 7 et tout le township 8 dans le rang 13 ; tout le township 7 et la moitié sud du township 7 dans le rang 14 ; et la moitié nord du township 7 et la moitié sud du township 8 dans le rang 15 ; tout à l'est du méridien principal.

Le président représente que le bureau d'administration a reçu l'assurance que le gouvernement de la province de Manitoba contribuerait activement aux améliorations locales nécessaires sur les terrains susmentionnés: établissement d'écoles,aide à la colonisation,etc.

On a de plus représenté qu'un comité de citoyens de la ville de Winnipeg, formé d'hommes d'expérience dans ce genre de colonisation donne son appui au projet et a préposé un homme d'expérience pour se charger spècialement de l'œuvre.

Le président du bureau d'administration demande que certains privilèges mentionnés ci-après soient accordés dans le but d'aider à la colonisation des terrains susmentionnés.

Le ministre est d'avis qu'il sera d'intérêt public d'accorder les dites demandes et recommande en conséquence que, sous l'empire du paragraphe (k) de l'article 76 de la Loi de 1908 des terres fédérales, autorisation soit donnée d'accorder les dits privilèges, savoir:

1. Que la réserve soit autorisée et ratifiée de toute terre vacante et disponible dans les limites ci-haut décrites et que le Ministre de l'Intérieur soit autorisé de changer les limites de la dite réserve comme il le jugera à propos et de rescinder la dite réserve en tout temps sur douze mois d'avis publié dans la *Gazette du Canada* et dans la *Gazette du Manitoba*.

2. Que dans les limites ainsi réservées il ne soit concédé ou vendu aucune inscription excepté à des personnes agréées par le comité de colonisation susmentionné.

3. Que la concession d'inscription à des personnes agréées comme ci-dessus soit sujette aux dispositions de la dite loi et des dits règlements en autant que ces derniers peuvent s'y appliquer et sauf les réserves ci-dessus mentionnées.

4. Que la dite commission de colonisation soit autorisée de décider de quelle manière les dites terres soient subdivisées et cédées, sujet à l'approbation du Ministre de l'Intérieur.

5. Que les conditions de culture dans chaque cas soient approximativement 20% de la superficie des terres sous inscription sujettes à une réduction raisonnable si le Ministre de l'Intérieur juge que le terrain en question est trop difficile à défoncer.

6. Que la commission de colonisation soit autorisée de choisir un site central de trente acres approvimativement pour l'établissement d'une école, d'une église et d'un cimetière, le site ainsi choisi devant être réservé aux fins de la dite corporation.

7. Que relativement aux inscriptions accordées aux conditions sus-mentionnées, il ne soit accepté aucune demande pour rescision sous l'empire de la Loi de 1908 des terres fédérales et ses modifications, mais au Ministère de l'Intérieur ressortit de faire l'inspection des dites terres de temps à autre selon que le Ministre de l'Intérieur le jugera opportun ; et s'il est trouvé que les conditions des dites inscriptions n'ont pas été remplies, il peut être institué des procédures en rescision sous l'empire de la loi susdite, lesquelles pro-

cédures doivent être conduites de la même manière que pour les inscriptions ordinaires ;

8. Que, sur rescision d'une inscription, les terrains en question retournent à la réserve et redeviennent sujets aux conditions susmentionnées.

9. Que, si de l'avis de la dite commission de colonisation, un colon perd son droit à un homestead gratuit, une vente peut lui être consentie aux termes et conditions d'établissement que peut exiger le Ministre de l'Intérieur.

10. Que le Ministre de l'Intérieur soit autorisé de faire toute prescriptions, règles et règlements, qu'il juge nécessaires dans les cas qui peuvent surgir et qui n'ont pas été prévus dans les présents règlements.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GÉNÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 16 novembre 1916, représentant que le 4 décembre 1911, M. Gustav Julseth a obtenu l'inscription de homestead et de préemption de la moitié ouest de la section 7, township 32, rang 2, à l'ouest du 4e méridien, et qu'après avoir fait douze mois de résidence, il fut atteint de la tuberculose et est depuis retourné en Norvège son pays natal, où il a suivi un traitement médical depuis l'année 1913. A l'appui de ce qui précède, la déclaration d'une autorité médicale a été soumise au Département de l'Intérieur représentant que suivant toute apparence M. Julseth ne recouvrera jamais la santé et ne sera jamais en état de revenir au Canada pour y compléter ses obligations de résidence. Relativement aux autres obligations de l'inscrit, il est établi que M. Julseth a a un frère qui exploite une ferme dans les environs et qui a entrepris de faire les améliorations nécessaires. Il a été établi que 175 acres de la demi-section ont été mis en culture et qu'une maison de la valeur de $100 y a été érigée.

Le ministre recommande, par conséqueut, qu'en vertu des dispositions du paragraphe 2 de l'article 20 de la *Loi des terres fédérales*, 1908, cet inscrit soit relevé de toute autre obligation de résidence en rapport avec ladite demi-section et que patente lui en soit délivrée sur preuve fournie de la manière ordinaire que les autres conditions de l'inscription ont été remplies et que la préemption a été payée en conformité de la loi.

Le comité agrée cette recommandation et la soumet pour approbation.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000 et n'excède pas $500,000	100 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionne est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

SENAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé : il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse.

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

Greffier du Sénat.

SENAT.

Avis de bills privés.

EXTRAIT DES RÈGLES DU SÉNAT.

107. Toute demande au Parlement, pour obtenir un bill privé, de quelque nature qu'il soit, doit être annoncée par avis inséré à la *Gazette du Canada ;* cet avis doit indiquer d'une manière claire et précise la nature et l'objet de la demande, être signé par les pétitionnaires ou en leur nom et contenir l'adresse des signataires ; et si elle a pour objet l'obtention d'un acte constitutif, il faut donner aussi dans l'avis le nom de la compagnie projetée.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité général pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c. Dans tous ces cas, les avis insérés soit à la *Gazette du Canada* ou dans les journaux, doivent se publier au moins une fois par semaine pendant cinq semaines consécutives ; et, lorsqu'ils se publient dans les provinces de Québec et du Manitoba, ils doivent être en langue anglaise et en langue française. Il faut envoyer au greffier du Sénat des exemplaires *marqués* de chaque numéro de tous les journaux contenant l'avis, avec, sur le pli de la feuille, les mots : "*Avis de bill privé*" ; ou l'on peut transmettre, au lieu des journaux, une déclaration statutaire que l'avis a été dûment publié.

Tout avis par lettre enregistrée sera déposé à la poste à temps pour parvenir au Secrétaire de la province et au greffier de chaque conseil de comté et de chaque corporation municipale cinq semaines au moins avant la considération de la pétition par le comité des Ordres permanents ; et une déclaration statutaire établissant le fait du dépôt à la poste sera transmise au greffier du Sénat.

108. Nulle pétition pour la constitution en corporation d'une compagnie de chemin de fer ou d'une compagnie de canal, ou pour l'extension de la ligne d'un chemin de fer ou d'un canal existant ou autorisé, n'est prise en considération par le comité des Ordres Permanents, à moins qu'il n'ait été déposé devant le comité une carte ou un plan indiquant le tracé proposé des travaux ainsi que les comtés ou les districts par où doit passer le chemin de fer, le canal, l'embranchement ou le prolongement qu'on veut construire.

109. Avant d'adresser au Sénat la pétition pour en obtenir la permission de présenter un bill privé ayant pour objet la construction d'un pont de péage, la ou les personnes qui ont l'intention de faire cette pétition doivent, en donnant l'avis prescrit par les règles précédentes mentionner en même temps et de la même manière, les péages qu'elles se proposent de percevoir, l'étendue du privilège, la hauteur des arches, l'espace libre entre les culées ou les piles pour le passage des trains de bois et des bateaux ; en outre, mentionner si le pont sera mobile ou non, et indiquer les dimensions de la partie mobile.

110. Aucune pétition en obtention d'un bill privé n'est reçue par le Sénat après les trois premières semaines de la session ; aucun bill privé ne peut lui être présenté après les quatre premières semaines de la session : aucun rapport d'un comité permanent ou spécial sur un bill privé n'est reçu après les six premières semaines de la session.

114. Toute personne qui voudra obtenir un bill privé, si elle se propose de le présenter au Sénat, devra déposer entre les mains du greffier de cette Chambre, huit jours avant la réunion du Parlement, une copie du bill en langue anglaise ou en langue française, avec une somme d'argent suffisante pour en payer la traduction, laquelle sera faite par les traducteurs du Sénat, et payer l'impression de 600 exemplaires anglais et de 200 exemplaires français ; elle aura pareillement à verser entre les mains du greffier du Sénat, aussitôt apres la deuxième lecture du bill, et avant la prise en considération par le comité auquel il aura été renvoyé une somme de $200, avec les frais d'insertion de l'acte au corps des Statuts ; et elle remettra au commis-greffier du comité un reçu constatant le versement de ces sommes.

DOWNING STREET,
30th November, 1916.

MY LORD DUKE,—With reference to my despatch No. 811 of the 25th of August, 1915, I have the honour to transmit to Your Excellency, for the information of your Ministers, copies of a public notice dated 19th October, 1916, issued by the Board of Trade, regarding the use of manifests and bills of lading during the war.

2. I shall be glad if a similar notice may be issued in Canada.

I have the honour to be,
My Lord Duke,
Your Grace's most obedient,
humble servant,

(Signed) A. BONAR LAW.

Governor General
His Excellency
The Duke of Devonshire, K.G., G.C.V.O.,
&c., &c., &c.

—

NOTICE TO SHIPPERS AND SHIPOWNERS RESPECTING MANIFESTS AND BILLS OF LADING.

THE attention of Shippers and Shipowners and the trading community generally is drawn to the fact that in time of war the practice of shipping goods with Bills of Lading made out "to order" (made illegal by Section 4 of the Customs (War Powers) Act, 1915, in the case of goods shipped from the United Kingdom under license) is very undesirable in respect of any goods exported from any part of the British Empire. Shippers of goods not requiring licenses are therefore advised not to make out Bills of Lading "to order," but only—

(a) To a named consignee, or

(b) To a bank or financial house of high standing, with the remark in the margin of the Bill of Lading "Notify A.B." "A.B." being the name of the person or firm for whom the goods are ultimately designed. Goods shipped to Holland should be consigned to the Netherlands Oversea Trust.

It is essential during the war that, in the case of all goods, whether shipped under license or not, British ships should have on board throughout the voyage a full manifest of cargo and all the Bills of Lading, or certified copies of the Bills of Lading.

Unless these requirements are complied with, there will be a risk that the ships will be stopped and diverted by H.M. ships or the war vessels of the allied nations, in order to permit of full examination of the cargo, and ascertainment of its destination.

In the case of British ships that will touch at ports in countries contiguous to enemy territory, compliance with these requirements is of special importance and serious delay may result to ship and cargo in such cases if all ship's papers are not on board and in order.

This notice supersedes the announcement made by the Board of Trade on August 19th, 1915, (see "Board of Trade Journal" of 26th August, 1915, pp. 594-5) but in no way affects the requirements of Section 4 of the Customs (War Powers) Act, 1915, in regard to licensed goods.

ORDERS IN COUNCIL.

[2941]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Wednesday, the 29th day of November, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 23rd November, 1916, from the Minister of the Interior, stating that Frank Nylund, a Russian by birth, made homestead entry in 1911 for the northeast quarter of Section 14, Township 59, Range 20, west of the 4th Meridian;

Representations having been made that this entrant had deserted his wife and left the country, steps were taken to cancel his entry so that the land might be made available for his wife who has been in continuous esidence;

From a Homestead Inspector's report it appears that Mrs. Nylund has continued to work on the quarter-section and desires to secure the same, but finds that she is unable to secure a certificate of naturalization as a British subject, as required by subsection 3, of section 25, of The Dominion Lands Act,—

The Minister recommends, therefore, that authority be given under subsection (*l*) of section 76 of The Dominion Lands Act for the sale of this land to Mrs. Nylund at the rate of $1 per acre, patent to issue on proof being furnished that the required three years settlement duties have been completed subsequent to desertion and on land being paid for in full.

The Committee submit the same for approval.

RODOLPHE BOUDREAU,
27-4 Clerk of the Privy Council.

Wednesday, the 20th day of December, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council is pleased to order and it is hereby ordered as follows:—

Section 20 is amended so as to provide that the rate of dues chargeable on pulpwood cut on a licensed timber berth shall be 25 cents per cord.

Section 42 is amended so as to provide that the rate of dues chargeable on pulpwood cut under permit shall be 40 cents per cord.

Section 41 is amended so as to provide that pulpwood may be cut on permit berths granted thereunder, comprising a tract of land not exceeding one quarter of a square mile.

All timber cut on Dominion Lands under permit shall be manufactured within the Dominion of Canada.

RODOLPHE BOUDREAU,
27-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA

Wednesday, the 20th day of December, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 9th December, 1916, from the Minister of the Interior, representing that Mr. T. J. Kelly of Bear Lake, in the Province of Alberta, is desirous of acquiring a quarter-section of Dominion lands in the Peace River district in order to provide a home for himself and children, and is not eligible to make homestead entry having exhausted his homestead right.

The Minister states that there are no lands available for purchased homestead entry in the Peace River district, the same lying outside the purchased homestead tract, and as Mr. Kelly is at present located in the said Peace River district with a large outfit of agricultural implements and horses, he is of the opinion that the application should receive favourable consideration.

The Minister, therfore, recommends that he be authorised to lease to Mr. Kelly for a period of three years, an available quarter-section of Dominion lands at an annual rental of two cents an acre, payable in advance, the same being the rate charged where lands are leased for grazing purposes.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
27-4 Clerk of the Privy Council.

[2880]

AT THE GOVERNMENT HOUSE AT OTTAWA.

Monday, the 4th day of December, 1916.

PRESENT:

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 14th November, 1916, from the Minister of the Interior, submitting as follows:—

That by chapter 22 of the statutes of the Province of Manitoba for 1913, hereinafter referred to as the Act of Incorporation, the inhabitants of the cities of Winnipeg and St. Boniface, of the town of Transcona, and of certain adjoining rural municipalities as specified and defined in that Act, all in that province, were made and declared to be a body politic and corporate under the name of the "Greater Winnipeg Water District" hereinafter referred to as the corporation. The short title of the Act of Incorporation is the "Greater Water Power District Act," and it has been amended by the following statutes of the Province of Manitoba: Chapters 46, 47 and 48 for 1914; chapters 29 and 30 for 1915, and by chapter 51 for 1916;

That by chapter 208 of the Dominion Statutes of 1913 certain privileges and powers were granted to the Corporation, namely: power to get and to take water including water from sources outside of the province of Manitoba; the erection and maintenance of all necessary works; the entrance upon all lands necessary for survey and other purposes in connection with such works; the purchase and occupation of necessary lands; the building of roads, tunnels and bridges, of telegraph, telephone and electric lines, and of all other necessary works and buildings; the diversion and alteration of any of such works or lines, or of streams and highways; and the doing of all other acts necessary for the construction, maintenance and operation of any work required for the purposes of the corporation; the preparation, submission, filing and inspection of maps, books of reference and plans shewing the works or parts of them; and the application for the purposes of the Committee of certain provisions of the Railway Act and of the "Act relating to the establishment and expenses of the International Joint Commission under the waterways Treaty of January the eleventh, nineteen hundred and nine, and to the said Treaty";

That the objects or purposes of the corporation are stated in section 5 of the Act of Incorporation, that section being as follows:—

"5. The objects of the corporation shall be the supplying of water from any permanent source, whether within or without the province, for the use of the inhabitants of the said district for all purposes. It shall be within the corporate authority of the corporation to extend its operation and exercise its powers, with said object, outside of the limits of this province, subject to its obtaining any legal rights that may be required therefor from the Dominion of Canada or any authority besides this province".

That to furnish the supply of water referred to, it became necessary to construct an aqueduct from Shoal Lake, a part of the Lake of the Woods, to the city of Winnipeg, a distance of 100 miles, approximately, and it also became necessary in connection with that work, and to secure the success of the purposes of the corporation, as set out in section 5 hereinbefore quoted, to build the railway referred to in section 1 of chapter 47, one of the amending Acts before mentioned;

That when this railway, which is now nearing completion, has been completed, a large tract of country which is now nearly altogether unsettled, and which was not suitable for settlement for agricultural purposes because of its remoteness from existing railways, will be opened to settlement mainly for agricultural purposes;

That the Mayor of the City of Winnipeg, who is the Chairman of the Administration Board provided for in the Act of Incorporation, has submitted, as such chairman, to the Minister, a scheme for the placing upon lands, adjacent to the railway now nearing completion between the city of Winnipeg and the Lake of the Woods, of settlers to be selected by the Land Settlement Committee of the Corporation from persons who have some experience in farming, and has applied for a reservation of the vacant and available Dominion lands within the following tract: the north half of township 7 and the whole of township 8 in range 13; the whole of township 7 and south half of township 8 in range 14; the north half of township 7 and south half of township 8 in range 15; all east of the principal meridian;

That the Chairman states that the Administration Board has been assured of the active assistance of the Government of the Province of Manitoba in the matter of making necessary local improvements, establishing schools and in promoting settlement generally within the tract above described;

That it is further represented that a Committee of the citizens of the City of Winnipeg comprising men experienced in the class of settlement intended, are co-operating in the plan, and have appointed an experienced man to take special charge of the work;

That the Chairman of the Administration Board has asked that, in connection with the settlement of the tract before referred to, certain concessions be granted as set forth below.

The Minister is of the opinion that the public interests would be served by giving effect to these requests, and he therefore recommends that, under the provisions of paragraph (*k*) of section 76 of the Dominion Lands Act of 1908, authority be granted for the carrying into effect of such concessions, that is to say:—

1. That the reservation of all vacant and available lands within the tract before described, be approved and confirmed, the Minister of the Interior to have power to vary the boundaries of the said reservation, as may appear to him to be advisable; and also to have power to cancel the reservation at any time after twelve months notice has been given in the *Canada Gazette* and in the *Manitoba Gazette*.
2. That within the tract so reserved no entries shall be granted or sales made except to persons who have been approved of by the Land Settlement Committee hereinbefore referred to.
3. That in respect of entries granted to such approved persons, the existing provisions of the said Act and regulations shall apply in so far as the same may be applicable, except as hereinafter set forth.
4. That the Land Settlement Committee be permitted to decide in what manner the holdings shall be subdivided and allotted, subject to the approval of the Minister of the Interior.
5. That the cultivation required in each case be approximately twenty per cent of the area of the land held under entry, a suitable reduction to be made if the Minister of the Interior is satisfied that such land is too difficult to break.
6. That the Land Settlement Committee be permitted to select a suitable central site comprising approximately thirty acres for the purpose of school, church and cemetery, the land so selected to be reserved for the purposes of the corporation.
7. That in respect of entries granted under the foregoing conditions, no applications for cancellation shall be accepted under the provisions of th Dominion Lands Act of 1908 and amendments, but the Department of the Interior shall be charged with the work of inspecting the land from time to time as the Minister of the Interior may deem necessary; and where such entries are found to be in default, cancellation proceedings may be instituted under the Act before referred to, and such cancellation proceedings shall be disposed of in the same way as in the case of ordinary entries.
8. That in the event of the cancellation of any entry, the lands affected thereby shall revert to the reservation and shall become subject to the conditions hereinbefore set forth.

9. That where any settler selected by the Land Settlement Committee is found to have already exhausted his right to a free homestead, a sale may be made to such settler upon such terms and settlement conditions as the Minister of the Interior may prescribe.

10. That the Minister of the Interior be authorized to make such orders, rules and regulations as are deemed necessary in cases which arise and for which no provisions are made herein.'

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 4th December, 1916, from the Minister of the Interior, submitting that under the authority of an Order in Council of 13th August, 1913, a license of occupation was issued on the 11th October following, to the Prince Albert Lumber Company, Limited, for certain lands comprised within townships 53, 54 and 55, range 1 ; townships 51 and 52, range 2 : township 52, ranges 3 and 4, all west of the third meridian, and township 54, range 28, west of the second meridian, containing a total area of 518·7 acres, the said license of occupation having been granted for a period of ten years, renewable at the discretion of the Minister of the Interior at the expiration of that time, for a further period of ten years, and subject to the usual terms and conditions in such cases and to the payment in advance of a yearly rental of ten cents an acre.

The Minister states that the said Prince Albert Lumber Company, Limited, does not now require certain of the lands above referred to, for which license of occupation was granted, and has revested the same, comprising an area of 281 acres, in the Crown in the right of the Dominion.

The Minister recommends that the said license of occupation be amended accordingly.

The Committee submit the same for approval.

WHEREAS application has been made on behalf of the Baptist Union of Western Canada for a grant for church purposes of one acre of land comprised in the S.W. Corner of Legal Subdivision 4 of Section 6, Township 72, Range 4, west of the Sixth Meridian, of the Province of Alberta ;

And whereas the Minister of the Interior is of opinion that the application should receive favourable consideration and the land in question is available according to the records of the Department of the Interior ;

Therefore His Excellency the Governor General in Council is pleased, under the provisions of Section 76 of the Dominion Lands Act, to set apart and appropriate for church purposes, one acre of land comprised in the S. W. Corner of Legal Subdivision 4 of Section 6, Township 72, Range 4, west of the Sixth Meridian, of the Province of Alberta, and to authorize a grant thereof to the Baptist Union of Western Canada for the said purposes.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Friday, the 1st day of December, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 16th November, 1916, from the Minister of the Interior, submitting that Mr. Gustav Julseth obtained homestead and pre-emption entries for the west half of section 7, township 32, range 2, west of the 4th meridian, on the 4th December, 1911, and that after performing about twelve months' residence, he developed tubercular trouble and has since returned to his native country, Norway, where he has been undergoing medical treatment ever since the year 1913. In support of the foregoing, the Department of the Interior has been furnished with reliable medical testimony, according to which authority there is no likelihood of Mr. Julseth ever recovering his health or being in a position to return to Canada with a view to completing the residence duties. With reference to the other conditions of the entries, Mr. Julseth has a brother farming in the vicinity who has undertaken to complete the necessary improvements and according to evidence submitted in this connection, a house valued at $100 has been erected and a total area of 175 acres has been brought under cultivation on the half section.

The Minister therefore recommends that the performance of further residence duties be waived under the provisions of section 20, s.s. 3, of The Dominion Lands Act of 1908, and that patents issue for the half section on proof being furnished in the ordinary way that the other conditions of the entries have been completed and the preemption paid for as provided by the Act.

The Committee concur in the foregoing recommendation and submit the same for approval.

RODOLPHE BOUDREAU,
Clerk of the Privy Council.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the Secretary of State reports that upon a petition of more than one-fourth of the electors of the County of Annapolis, in the Province of Nova Scotia, praying that the Order in Council which brought The Canada Temperance Act into force in that County should be revoked, a vote was taken of all the electors, for and against the Act ;

And whereas such vote was taken on the 8th day of July, 1915, and subsequently the Returning Officer reported that the result was in favour of the petition and against the Act by a substantial majority ;

And whereas action was taken under chapter 53 of the Statutes of 1914, "An Act to amend the Canada Temperance Act," to void the election on the ground of the insufficiency of the petition above referred to and the irregularity of proceedings at the poll ;

And whereas such action was dismissed by the Honourable Mr. Justice Ritchie upon hearings at Annapolis Royal in August and September, 1916,—

Therefore His Excellency the Governor General in Council, in accordance with the report of the Returning Officer and the decision of the Honourable Court is pleased to declare that the Order in Council which brought The Canada Temperance Act into force in the County of Annapolis, in the Province of Nova Scotia, shall be and the same is hereby revoked, and that Part II of the said Act shall cease to be in force or effect in the said County from and after the date of the publication in the *Canada Gazette* of this Order in Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of December, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

WHEREAS the regulations for the disposal of quartz mining claims on Dominion lands, established by Order in Council, dated 13th August, 1908. under the authority of the Dominion Lands Act, provide that any person having discovered mineral in place may personally stake out a location not exceeding in area 1,500 feet square ; that no person shall hold in his own name, except by assignment, more than one such mineral claim on the same vein or lode, or within a distance of one-half mile ; that evidence must be furnished each year to show that the locator has done or caused to be done on the claim itself to the value of $100, or pay that amount to the Mining Recorder in lieu ; and that, after the sum of $500 has been so expended on the location or paid to the Recorder, the locator shall be entitled to a lease of the tract so staked for a term of years ; work done outside the claim, with intent to work the same, may, however, if such work has direct relation and is in direct proximity to the claim, be deemed to be work done on the claim, if to the satisfaction of the Mining Recorder ; and

Whereas representations have been made to the Department of the Interior that mineral of economic value exists in that portion of the Dominion of Canada bordering on Coronation Gulf near the mouth of the Coppermine River, in the Arctic region, but that no serious attempts have been made to explore or to develop the mineralized belt said to exist, owing to the very great difficulties experienced in reaching that remote region, and the very large initial cost involved in such an enterprise ; and

Whereas Fort Norman, at the mouth of Great Bear river, may be reached, during the short period of navigation, by rail to Fort McMurray and by river steamer on the Athabaska and Mackenzie rivers, but at that point the prospector is confronted by two very serious obstacles, that is, transportation from Fort Norman on the Mackenzie river to Fort Franklin on Great Bear lake, a distance of about one hundred miles, and from Fort Confidence at the head waters of Great Bear lake to the mouth of the Coppermine river, a distance of about one hundred and twenty miles ; and

Whereas it has been represented that the area prescribed by the regulations, while sufficient in those portions of the Dominion which are easily accessible, would not be an adequate basis of return for the risk and outlay which would necessarily be incurred in sufficiently improving the means of transportation to the mouth of the Coppermine river to enable the prospector to take in machinery and supplies, and that it is essential to the exploration and development of the mineral resources of that remote part of the Dominion that additional inducements be offered to prospectors who may have sufficient capital to undertake so expensive and so hazardous an enterprise ; and

Whereas it has been represented that an expenditure of at least $25,000 would be necessary to sufficiently improve the means of transportation from Fort Norman to admit of an expedition being sent in to prospect that part of the country during a period of one year, and it has been suggested that any individual or company prepared to expend during one year such an amount in prospecting and improving the means of transportation, be given permission, in consideration of such expenditure, to stake out and obtain entry for a greater number of mineral claims than is prescribed by the regulations ; and

Whereas the tract within which mineral of economic value is said to exist lies between the 108th and 118th Meridian of West Longtitude, and between the 66th and 68th degree of North Latitude ;

Therefore, His Excellency the Governor General in Council, in order to stimulate prospecting in that part of the country, is pleased to authorize and doth hereby authorize the grant to any prospector, whether individual or company, who expends during the calendar year, 1917 the sum of not less than $25,000 in actual prospecting operations within the tract above described, and in improving the means of access between Fort Norman and the mouth of the Coppermine river, entry under the provisions of the Quartz Mining Regulations for fifty mineral claims of the prescribed size, that is, one claim for each $500 expended, upon the following terms and conditions :—

(1) That the prospector shall, on or before the 31st day of December, 1917, furnish the Minister of the Interior with evidence supported by affidavit, and accompanied by vouchers, if required, to show that he has, during the calendar year 1917, expended the sum of not less than $25.000 in actual prospecting operations by recognized methods within the tract above described, and in improving the means of access between Fort Norman on the Mackenzie River and the mouth of the Coppermine River. The evidence submitted shall be in the form of a detailed statement, showing the amount expended in improving the means of access and the purpose for which each item of expenditure was incurred, and shall be accompanied by plans showing the position and character of the obstacle overcome, as well as the nature and cost of the improvements made. A separate statement in detail shall be furnished, showing the expenditures incurred in prospecting operations, and the exact nature of the work done at each point, and shall be accompanied by plans showing the particular tracts upon which the work set out in the detailed statement was performed.

(2) That the claims for which the prospector may desire to apply shall be staked out in the manner prescribed in the regulations, and application for entry therefor shall be made to the Mining Recorder for the district in due form before the expiration of the year 1917 ; provided, however, that the prospector, who has incurred during the year the expenditure of $25,-000 above provided for, may stake out and obtain entry for more than one claim on the same vein or lode, or within a distance of one-half mile, notwithstanding the restrictions of section 13 of the regulations in this respect.

(3) Staking on behalf of a company prepared to incur the expenditure of not less than $25,000 for the purpose and in the manner provided for herein, shall be by some person or persons duly authorized by the company to do so, and accepted by the Minister of the Interior.

(4) That in staking and recording the claims and in retaining the same after entry therefor may have been granted, the prospector shall conform in every respect with the provisions of the regulations, with such exceptions as are provided for herein.

(5) The grantees of mineral claims within the tract described, who comply fully with the provisions of section 45 of the Quartz Mining Regulations in respect of each such claim, shall be entitled to receive a lease thereof under and in accordance with the provisions of the said regulations and of the Dominion Lands Act for a period of twenty-one years, at a rental to be fixed by order of the Governor in Council, renewable for a further period of twenty-one years, provided the lessee furnishes evidence to the satisfaction of the Minister of the Interior that during the term of the lease he has complied in every respect with the conditions of such lease and the provisions of the regulations, and subject to renewal for additional periods of twenty-one years each, on such terms and conditions as may be prescribed by the Governor in Council.

(6) That the entries or leases which may be issued for mineral claims staked within the tract described shall reserve to the Crown such royalty on the sales of the products of the mines as may from time to time be specified by order of the Governor in Council, the royalty to be collected in such manner as may be prescribed by the Minister of the Interior.

(7) All entries or leases which may be issued under the authority herein contained shall be subject to the provision that ores or other deposits of mineral of commercial value taken or mined from the claims described in such entries or leases shall not be exported for smelting, refining or other treatment, but shall be smelted, refined or otherwise treated entirely within

the limits of Canada, under the provisions of such regulations as the Governor in Council may enact.

(8) The evidence of expenditure submitted by the prospector shall in all cases be to the satisfaction of the Minister of the Interior, otherwise the prospector's right to receive entries for claims shall be that prescribed in the regulations for the disposal of quartz mining claims.

(9) That applications for entries for mineral claims staked during the calendar year 1917 within the tract above described shall not be finally considered by the Mining Recorder, and entries therefor shall not be granted except during the last twenty days of the said calendar year.

RODOLPHE BOUDREAU,
26-4 Clerk of the Privy Council.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of December, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

HIS Excellency the Governor General in Council is pleased to order that the regulations governing the granting of yearly licenses and permits to cut timber on Dominion lands, established by Order in Council of the 1st July, 1898, and subsequent Orders in Council, shall be and the same are hereby amended by adding the following thereto :—

1. In any case where waters flowing through, over, or along, or having their source in any timber berth, empty into any stream, or are tributary to any stream from which a domestic or municipal water supply is or may be obtained, or in any case where the pollution of any such waters may, in the opinion of the Minister, deleteriously affect any municipal or domestic water supply, the licensee of such timber berth shall comply with the following regulations :

(*a*) Locate all camp buildings, outhouses, cesspools, and other structures at a sufficient distance from any stream, lake or other source of water supply to prevent the pollution of such municipal or domestic water supply.

(*b*) Immediately remove and burn any camp refuse or debris of any description, or any substance which would be likely to cause the pollution of any such waters, and otherwise keep the ground in the vicinity of all logging camps in a neat, orderly and sanitary condition.

(*c*) Prevent any depositing, leaving or accumulating in any stream, lake or other source of water supply within the berth, or in an exposed or unsanitary condition on the berth, any debris of any description or any substance which would be likely to cause the pollution of such waters.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Thursday, the 14th day of December, 1916.

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 6th December, 1916, from the Minister of the Interior, submitting that Mr. John R. Welch, of Grenfell, Saskatchewan, purchased at the auction sale of school lands held at Broadview in June, 1916, the northeast quarter of Section 29, Township 16, Range 7, west of the 2nd Meridian, which is now entered in the records of the Department as a sale in his name.

A communication was subsequently received from the Department of Militia and Defence stating that it was found necessary in the public interest that that Department should obtain control of this quarter section as it was urgently needed in connection with a Rifle Range at that point, and stating, also, that an arrangement has been made with Mr. Welch under which he agreed to exchange the northeast quarter of section 29 in question for the southeast quarter of the same section, provided this Department would be willing to authorize the exchange.

Before taking any steps in that direction, however, it was decided to have an inspection made of the two quarter sections to ascertain the value of each.

The report of Inspector Evans has since been received, and he states that there is very little, if any, difference in the value of the two quarter sections, the northeast quarter, which it is proposed that Mr. Welch should surrender, being possibly the more valuable. The Inspector further states that Mr. Welch is quite willing to surrender the northeast quarter provided he obtains entry for the southeast quarter in place of it.

Under these circumstances, and as the Minister is of the opinion that it would be in the public interest that the Department of Militia and Defence should be allowed the use of the northeast quarter of the section in connection with the Rifle Range at that point, he recommends that he be authorized to carry out the proposed exchange, that is, to cancel the entry of Mr. Welch for the northeast quarter and to grant his entry for the southeast quarter in place of it, and that, on this being done, the Department of Militia and Defence be allowed the use of the northeast quarter of the said section for Rifle Range purposes.

The Committee concur in the foregoing recommendation and submit the same for approval.

PRESENT .

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them are port, dated 22nd November, 1916, from the Minister of the Interior, submitting that applications have been made by certain half-breeds and others, who have been in occupation for several years, of small lots comprising areas varying from five to ten acres in the Grand Rapids Settlement, at the mouth of the Saskatchewan River, at the head of Lake Winnipeg, in the Province of Manitoba, and that their claims have been especially investigated and a survey made of their holdings by a Dominion Land Surveyor in the permanent employ of the Department of the Interior, who has recommended that the lots they occupy be leased to the applicants instead of being disposed of to them outright, as in the latter case it is feared that their holdings might be acquired from them for speculative purposes.

The Minister is of the opinion that the lots in question should be disposed of in the manner above suggested, and he, therefore, recommends that he be authorized to issue leases to the respective applicants for the lots appearing opposite their names as hereinafter set forth, for a term of ten years at a nominal annual rental of $1, subject to residence upon the land and renewable at the expiration of that period for a further term of ten years at the discretion of the Minister of the Interior, such leases to be non-assignable and subject to cancellation at any time by the Minister of the Interior in the event of the lessees ceasing to reside upon the land.

The applicants and the lands to be leased to them are as follows :—

Whereas a joint investigation on the entire situation has been made by the local Agent of Dominion Lands and the Divisional Engineer of the British Columbia Hydrometric Survey, who report that the areas applied for comprise the watershed of East Canoe creek, from which the City's domestic water supply is obtained, and that they are of a rough mountainous character, generally unfit for agriculture and should therefore be reserved by the Crown from any disposition which would be liable to affect the purity of the waters of the stream, and

Whereas the Corporation of the City of Salmon Arm have already secured from the Provincial Water Rights Branch at Victoria the necessary water rights for the diversion and use of the waters of East Canoe creek for domestic and other purposes and have constructed a pipe line for the carriage of these waters to the town which is already in operation.

AT THE GOVERNMENT HOUSE AT OTTAWA.

Tuesday, the 19th day of December, 1916

PRESENT :

HIS EXCELLENCY THE GOVERNOR GENERAL IN COUNCIL.

THE Committee of the Privy Council have had before them a report, dated 13th December, 1916, from the Minister of the Interior, submitting that authority has been granted under the provisions of the Irrigation Act to The Southern Alberta Land Company, Limited, to construct a system of irrigation works taking water from Bow river at a point on the southeast quarter of section thirty-one, township twenty-one, range twenty-five, west of the fourth meridian, and that, pursuant to such authority, the said company has surveyed and partly constructed a canal from the said point of intake to and across the tract of land to be irrigated.

By authority vested in the Minister of the Interior by section 54 of the Irrigation Act, regulations have been made for granting free right of way for irrigation canals and ditches, such right of way to include, in addition to the width of the canal or ditch, a marginal strip not exceeding twenty feet on one side and ten feet on the other side of she said canal or ditch, to give access to the same for purposes of operation and repairs, provision having also been made in the said regulations for granting a greater width, not exceeding ten acres in all, when such shall be shown to be necessary for the effective operation of the irrigation system.

Owing to the size of the canal now under construction by the aforesaid company, to the depth of the excavation at certain points and to the height of the fill at other points, it has been found necessary in some cases to allow a greater area to be included in the right of way in order to permit of the disposal of the excavated material and to afford adequate facilities for the maintenance of the works.

In all cases, to which reference is hereafter made in this minute, where the lands are held under a homestead or pre-emption entry, easements have been executed by the entrants in favour of The Southern Alberta Land Company, Limited, granting right of way of the canal over the lands ; the said easements being now registered in the Department of the Interior. The remainder of the lands mentioned, over which right of way is required, are still vested in the Crown.

The Minister, therefore, recommends that authority be given for granting free right of way by License of Occupation to The Southern Alberta Land Company, Limited, for its works through, over and upon the lands hereinafter described, not exceeding the area mentioned in each case and as shown on the plan of the said works filed in the office of the Commissioner of Irrigation at Calgary, and in the Department of the Interior, and registered in the office of the Registrar of Land Titles at Calgary, in the province of Alberta, such grants to remain in effect for so long as the works herein referred to are used for irrigation purposes :

(1) The northwest quarter of section (19), township fourteen (14), range nineteen (19), west of the 4th meridian, comprising an area of thirteen and six-tenths (13·6) acres, more or less, as shown on Irrigation Plan No. 360.

(2) The southeast quarter of section nineteen (19), township fourteen (14), range nineteen (19), west of the 4th meridian, comprising an area of thirteen and fifty-one one hundredths (13·51) acres, more or less, as shown on Irrigation Plan No. 360.

(3) The southeast quarter of section (30) thirty, township fourteen (14), range twenty (20), west of the 4th meridan, comprising an area of twenty-seven (27) acres, more or less, as shown on Irrigation Plan No. 361.

(4) The southeast quarter of section twenty-five (25) township fourteen (14), range twenty (20), west of the 4th meridan, comprising an area of ten and fourteen one hundredths (10·14) acres, more or less, as shown on Irrigation Plan 360.

(5) The northeast quarter of section twenty-seven (27), township fourteen (14), range twenty (20) west of the fourth meridan, comprising an area of fourteen and eighty-four one hundredths (14·84) acres, more or less, as shown on Irrigation Plan No. 360.

(6) The southwest quarter of section twenty-five (25), township fourteen (14), range twenty (20), west of the 4th meridian, comprising an area of sixteen and seventy-nine one hundredths (16·79) acres, as shown on Irrigation Plan No. 360.

(7) The northwest quarter of section thirty-four (34), township thirteen (13), range seventeen (17), west of the 4th meridian, comprising an area of thirty-five and twenty-one one hundredths (35·21) acres, more or less, as shown on Irrigation Plan No. 159, and eighty-two one hundredths (·82) acres, more or less, as shown on Irrigation Plan No. 296.

(8) The northeast quarter of section sixteen (16), township fourteen (14), range eight (8), west of the 4th meridian, comprising an area of eleven and eighty-five one hundredths (11·85) acres, more or less, as shown on Irrigation Plan No. 183.

(9) The southwest quarter of section six (6), township fourteen (14), range nine (9), west of the 4th meridian, comprising an area of ten and eighty-four one hundredths (10·84) acres, more or less, as shown on Irrigation Plan No. 183.

A copy of the said notice and a copy of the petition to be presented shall, at the instance of the applicant, and not less than two months before the consideration by the Committee of the petition, be served personally, when that can be done, on the person from whom the divorce is sought, who is hereinafter called "the respondent."

If the residence of the respondent is not known or personal service cannot be effected, then, if it be shown to the satisfaction of the Committee that all reasonable efforts have been made to effect personal service, and, if unsuccessfull, to bring such notice and petition to the knowledge of the respondent, what has been done may be deemed and taken by the Committee sufficient service.

No petition for a bill of divorce shall be presented to the Senate after the first sixty days of the Session.

The petition of an applicant for bill for divorce must be fairly written and must be signed by the petitoner, and should briefly set forth the marriage, the names in full of the parties thereto, their ages and occupations, when, where and by whom the ceremony was performed, the domicile and residence of each of the parties at the time of the marriage, their matrimonial domicile, residence, and any change thereof, the material facts upon which the petitioner relies as the grounds on which relief is asked, and the nature of the relief prayed for.

The petition should also negative connivance at, or condonation of the wrong complained of and collusion in the application for divorce.

The allegations of the petition must be verified by declaration of the petitioner, under *The Canada Evidence Act, 1893*.

The copy of the petition served upon the respondent shall have endorsed thereon, or appended thereto, the following information:—

(*2*) A Post Office address in Canada at which letters and notices for the petitioner may be delivered.

(*3*) The name and address of the solicitor, if any, acting for the petitioner.

(*4*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa, upon whom all notices and papers may be served.

(*5*) That if the respondent desires to oppose the granting of the divorce and to be heard by the Senate Committee on Divorce, the respondent must send a notice to that effect to the Clerk of the Senate at the Parliament Buildings, Ottawa, within two months from the date of service upon the respondent, and must in the notice to the Clerk of the Senate give:—

(*a*) The respondent's residence at the time of sending such notice.

(*b*) A Post Office address in Canada at which letters and notices for the respondent may be delivered.

(*c*) The name and address of the solicitor, if any, acting for the respondent.

(*d*) If such solicitor's address is not at Ottawa, the name and address of some agent for him at Ottawa upon whom all notices and papers may be served.

(*6*) That, if the respondent does not so notify the Clerk of the Senate, the petition may be considered, and a bill of divorce founded thereon may be passed, without any further notice to the respondent.

(7) When the petition is one by a husband for a divorce from his wife, that, if the wife shows to the satisfaction of the Senate Committee on Divorce that she has, and is prepared to establish upon oath, a good defence to the charges made by the petition, and that she has not sufficient money to defend herself, the Committee may make an order that her husband shall provide her with the necessary means to sustain her defence, including the cost of retaining Counsel and the travelling and living expenses of herself and of witnesses summoned to Ottawa on her behalf.

No petition for a bill of Divorce shall be considered by the Committee unless the applicant has paid into the hands of the Clerk of the Senate the sum of two hundred and ten dollars, ($210).

The petition when presented to the Senate shall be accompanied by the evidence of the publication of the notice, and by declaration in evidence of the service of a copy of the notice and of a copy of the petition.

RELATIVEMENT à la note qui fut publiée dans la *London Gazette* du 30 mai dernier, la traduction du décret portugais n° 2565 du 14 août 1916, concernant les procédures dans les tribunaux des prises portugais, se lit comme suit :

(TRADUCTION.)

Décret No 2565 (14 août 1916).

Article 1.—La manière de procéder par-devant les tribunaux des prises sera en la forme sommaire établie par le décret n° 3 du 29 mai 1907, avec les modifications telles qu'établies par les articles suivants :

Article 2.—En faisant une déclaration de réclamation le plaignant demandera que le défendeur soit avisé de produire au bureau du registraire, sous la période établie de cinq jours, une déclaration de défense donnant toute sa défense.

Paragraphe 1.—Au sujet de l'article 36 du décret n° 2350 du 20 avril 1916, l'action sera prise contre l'administrateur-dépositaire, ou l'avocat, et en même temps, demande devra être faite de sa nomination et d'une sommation à l'effet de le faire comparaître.

Paragraphe 2.—Lorsque la chose est nécessaire, le juge s'occupera immédiatement de faire cette nomination, et dans le même ordre, il ordonnera que la sommation soit émise. Cette sommation doit être signifiée dans les vingt-quatre heures.

Article 3.—Si l'on a demandé de faire entendre des témoins, alors, durant les trois jours après que la déclaration de défense aura été produite, ou une plus longue période qui pourra être accordée à cet effet, au plus trois témoins amenés par chacune des parties seront entendus, sans permettre aucune procédure interlocutoire ou autre délai ; et, le jour suivant, le juge rendra un jugement provisoire. Avis de ce jugement sera signifié dans les vingt-quatre heures, ou il pourra être rendu public à une séance du tribunal, et dès lors il sera en pleine vigueur et deviendra exécutoire.

Article 4.—A la fin des procédures ci-dessus mentionnées, la cause, selon sa classification, sera assignée à un registraire du tribunal. Le plaignant pourra alors répondre à la déclaration de défense déjà produite ;

cette réponse doit être produite, et les autres procédures indiquées dans les articles 5 et suivants du décret n° 3 du 29 mai 1907, devront être terminées sous 5 jours après avoir reçu avis du jugement provisoire ou après que ce dit jugement aura été publié.

Paragraphe unique.—S'il n'y avait pas eu de déclaration de défense ou si elle est déclarée inutile, le jugement provisoire deviendra final.

Article 5.—Après le jugement final rendu dans les procédures des prises, il pourra en être appelé de ce jugement directement au Supremo Tribunal de Justiça (au tribunal Suprême de Justice,) où il sera pris connaissance des vices de forme allégués, et des appels interlocutoires qui peuvent être pendants; aucun autre appel n'étant permis.

Article 6.—L'expertise en matière de navires, faite par les comités techniques, qui est traitée à l'article 29* du décret n° 2350, est une preuve suffisante pour jugement provisoire et jugement final.

Article 7.—Les jugements ordonnant la retenue de la capture, qu'ils soient provisoires ou finals, seront communiqués directement par les juges qui les ont rendus au Ministère des Affaires Etrangères dans le but de s'assurer s'ils ne tombent pas sous le coup de l'article 2 de la 12e Convention de la Haye d'octobre 1907, approuvé par le décret du 24 février 1911.

Article 8.—Le représentant légal de l'Etat interviendra toujours comme partie principale dans les procédures des prises, sans préjudice aux intérêts légitimes de toute autre personne qui sera co-plaignante dans cette cause.

Article 9.—Il n'y aura pas de délais dans les procédures dont il est question dans ce décret.

Article 10.—Le présent décret deviendra immédiatement en vigueur, et toutes dispositions qui lui sont contraires sont révoquées.

Les Ministres de tous les département en prendront connaissance en conséquence et ils s'assureront de son exécution.

HOTEL DU GOUVERNEMENT À OTTAWA.

Jeudi, le 14e jour de décembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENÉRAL EN CONSEIL.

ATTENDU que les règlements pour la vente des claims de mines quartzeuses sur les terres fédérales, établis par un arrêté en conseil du 13 août 1908 sous l'empire de la *Loi des terres fédérales*, prescrivent que toute personne qui a découvert du minerai en place peut jalonner personnellement un claim dont la superficie n'excède pas 1500 pieds carrés ; de plus que nulle personne en son propre nom, sauf par cession, peut détenir plus d'un claim minier sur la même veine ou le même filon, ou à une distance de moins d'un mille de cette veine ou de ce filon ; que la preuve soit fournie chaque année que celui qui a délimité le claim, y a fait exécuter des travaux pour une valeur d'au moins $100, ou, à défaut d'exécution de ces travaux, a payé cette somme au régistrateur des mines ; et qu'après que la somme de $500 a ainsi été dépensée sur le claim ou payée au régistrateur, celui qui a jalonné le claim a droit à un bail du terrain ainsi jalonné pour une certaine période d'années. Toutefois, les travaux exécutés en dehors du claim (avec l'intention de l'exploiter), si ces travaux sont en rapport direct avec le claim et dans son voisinage immédiat, seront considérés comme ayant été exécutés sur le claim même, si le régistrateur minier y consent.

Et attendu que des représentations ont été faites au Département de l'Intérieur qu'il existe des minéraux de valeur économique dans cette partie du Canada située sur le golfe Coronation, près de l'embouchure de la rivière Coppermine, dans la région arctique, mais qu'on n'a fait encore aucun effort sérieux pour explorer ou développer la zone minérale qu'on dit y exister, à cause des grandes difficultés qu'on a éprouvées pour atteindre cette région lointaine et les frais préliminaires d'une telle entreprise.

Et attendu qu'on peut atteindre le Fort Norman, à l'embouchure da la rivière Great Bear, au cours de la courte saison de navigation, par chemin de fer à partir du fort McMurray et par bateau sur les rivières Athabaska et Mackenzie, mais qu'à cet endroit le prospecteur rencontre deux obstacles très sérieux, savoir : le transport de Fort Norman, sur la rivière Mackenzie, à Fort Franklin sur le lac Great Bear, une distance d'en, viron 100 milles, et de Fort Confidence à la source du lac Great Bear jusqu'à l'embouchure de la rivière Coppermine, une distance d'environ 120 milles.

Et attendu qu'il a été représenté que l'étendue de terrain prévue aux règlements, quoique suffisante dans les districts d'accès facile, ne pourrait offrir une garantie adéquate pour le risque et les frais qu'il faudrait nécessairement encourir en améliorant les moyens de transport jusqu'à l'embouchure de la rivière Coppermine, afin de permettre au prospecteur d'y transporter son outillage et ses approvisionnements, et qu'il est essentiel à l'exploitation et au développement des res sources minières de cette région éloignée du pays d'offrir des avantages spéciaux aux prospecteurs qui peuvent avoir le capital nécessaire pour s'engager dans une entreprise aussi coûteuse et hazardeuses.

Attendu qu'il a, aussi, été représenté qu'une dépense d'au moins $25,000 serait nécessaire pour améliorer suffisamment les moyens de transport à partir de Fort Norman pour permettre à une expédition d'atteindre cette région et de l'explorer pendant un an, et qu'il a été suggéré qu'en considération de telles dépenses il soit permis à tout particulier ou à toute compagnie s'engageant à dépenser cette somme dans une année, en explorations et en améliorations des moyens de transport, de jalonner un plus grand nombre de claims miniers qu'il n'est prescrit par les règlements et d'en obtenir l'inscription.

Et attendu que la région où l'on prétend que gisent ces dépôts de minéraux de valeur économique est située entre les 108e et 118e méridiens de longitude ouost, et entre les 66e et 6e degrés de cette latitude nord ;

Par consequent, il plaît à Son Excellence le Gouverneur général en conseil, afin de stimuler la recherche des gisements de minéraux dans cette partie du pays, d'autoriser par ces présentes la concession à tout prospecteur, soit particulier ou compagnie, qui dépense au cours de l'année civile 1917 la somme d'au moins $25,000 en travaux d'exploration dans la région ci-dessus décrite et en améliorations des moyens de transport entre Fort Norman et l'embouchure de la rivière Coppermine, sous l'empire des dispositions des règlements concernant les mines quartzeuses. de cinquante claims de la grandeur prescrite, soit un claim pour chaque $500, aux conditions suivantes :

(*l*) Le prospecteur doit le ou avant le 31e jour de décembre 1917 fournir au Ministre de l'Intérieur la preuve confirmée par affidavit et accompagnée de pièces justificatives, s'il est ainsi exigé, démontrant qu'au cours de l'année civile 1917 il a dépensé la somme d'au moins $25,000 en travaux d'exploitation, selon les méthodes reconnues, dans les limites de la région ci-dessus décrite et en améliorations des moyens de transport entre Fort Norman sur la rivière Mackenzie et l'embouchure de la rivière Coppermine. Cette preuve doit être sous forme d'état détaillé indiquant le montant dépensé en amélioration des moyens de transport, ainsi que les fins auxquelles chaque item de dépense a été appliqué ; y seront joints des plans indiquant la position et la nature de l'obstacle qu'il a fallu surmonter, ainsi que la nature et le coût des améliorations. Doit être de plus fourni un état détaillé distinct, montrant les dépenses encourues en travaux d'exploration et la nature exacte des travaux exécutés à chaque endroit ; aussi des plans montrant les endroits particuliers où ont été exécutés les travaux mentionnés dans l'état détaillé.

(2) Les claims dont le prospecteur demande la concession doivent être jalonnés de la manière prescrite par les règlements, et la demande d'inscription doit être faite au régistrateur minier du district en bonne et due forme avant l'expiration de l'année 1917. Toutefois, le prospecteur qui au cours de l'année a fait la dépense de $25.000 ci-dessus prescrite peut jalonner plus d'un claim sur la même veine ou le même filon et en obtenir l'inscription, ou dans un rayon d'un demi-mille de cette veine ou filon, nonobstant les restrictions de l'article 13 des règlements à ce sujet.

(3) La délimitation de claims pour une compagnie qui est prête à encourir une dépense d'au moins $25,000 pour les fins susdites et de la manière ici prescrite, peut être faite par toute personne ou toutes personnes dûment autorisées par la compagnie et acceptées par le Ministre de l'Intérieur.

(4) Dans la délimitation et l'enregistrement de claims et pour les retenir après que l'inscription a été accordée, le prospecteur doit se conformer sous tous rapports aux prescriptions des règlements, sauf telles exceptions qui peuvent être ici prévues.

(5) Les concessionnaires de claims miniers dans les limites de la région ci-dessus décrite qui se conforment en tout aux prescriptlons de l'article 45 des règlements des mines quartzseuses en ce qui concerne chacun de ces claims, ont droit à la cession du bail de ces claims sous l'empire des dispositions des dits règlements et de la loi des terres fédérales pour une période de 21 ans, au loyer qui sera fixé par un décret du Gouverneur en conseil, le bail étant renouvelable pour une autre période de 21 ans dès que le concessionaire aura fourni au Ministre de l'Intérieur la preuve satisfaisante qu'au cours de la durée du bail il s'est conformé sous tous rapports aux conditions du dit bail et aux prescriptions des règlements ; de nouveaux renouvellements pourront être accordés pour des périodes aditionnelles de 21 ans chacune, aux termes et conditions que prescrira le Gouverneur en conseil.

(6) La patente ou le bail d'un claim minier dans la région ci-dessus décrite réserve a la Couronne un droit régalien sur les ventes des produits des mines qui sera déterminé de temps à autre par décret du Gouverneur en conseil et sera perçu de la manière prescrite par le Ministère de l'Intérieur.

(7) Toutes les patentes émises ou les baux cédés en vertu des pouvoirs ici conférés sont sujets à la restriction que les minerais ou autres dépôts de minéraux de valeur commerciale extraits des claims et décrits dans ces patentes ou baux ne seront pas exportés pour réduction, raffinage ou autre traitement, mais devront

être réduits, raffinés ou autrement traités exclusivement dans les limites du Canada et conformément aux prescriptions des règlements que le Gouverneur en conseil peut établir.

(8) La preuve de la dépense encourue par le prospecteur doit dans tous les cas être à la satisfaction du Ministre de l'Intérieur ; sinon le droit du prospecteur à la patente de ces claims ne sera autre que celui prescrit par les règlements concernant les claims de mines quartzeuses.

(9) Les demandes de patente pour les claims miniers délimités au cours de l'année civile de 1917 dans la région ci-dessus décrite ne seront prises en considération définitive par le régistrateur minier et les patentes de ces claims ne seront accordées que dans les derniers vingt jours de la dite année civile

HOTEL DU GOUVERNEMENT À OTTAWA.

Lundi, le 4e jour de décembre 1916.

PRÉSENT :

SON EXCELLENCE LE GOUVERNEUR GENÉRAL EN CONSEIL.

AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 14 novembre 1916, représentant ce qui suit :—

Le chapitre 22 des statuts de 1913 de la province du Manitoba ci-après désigné sous le nom de " Loi d'incorporation, " a constitué en corps politique et incorporé, sous le nom " The Greater Winnipeg Water District," ci-après désigné " la corporation, " les résidents des cités de Winnipeg et St-Boniface, de la ville de Transcona et de certaines municipalités rurales adjacentes mentionnées et désignées dans la dite loi. La loi d'incorporation est désignée sous le nom de " Greater Water Power District Act, " a été modifiée par les statuts suivants de la législature du Manitoba, savoir : chapitres 46, 47 et 48 de 1914, chapitres 29 et 30 de 1915 et chapitre 51 de 1916.

Le chapitre 208 des statuts fédéraux de 1916 accorde à la dite corporation certains privilèges et pouvoirs, savoir ; le droit de se procurer et prendre de l'eau, y compris de l'eau provenant de sources hors la province de Manitoba ; l'érection et le maintien de tous travaux nécessaires ; l'entrée sur tous terrains pour y faire des arpentages ou pour d'autres fins en rapport avec les dits travaux ; l'achat et l'occupation des terrains nécessaires ; la construction de chemins, tunnels et ponts, de lignes téléphoniques et télégraphiques et électriques, et de tous autres travaux et constructions nécessaires ; le détournement et l'altération d'aucuns de ces travaux ou d'aucune de ces lignes ou des cours d'eau ou grandes routes ; et tous autres travaux nécessaires pour la construction, le maintien et le fonctionnement de tout ouvrage nécessaire aux fins de la corporation ; la préparation, la soumission, le classement et l'inspection des cartes, livres de renvoi et tracés indiquant les travaux pour toute partie d'icelle ; et la mise en vigueur pour les fins de la commission de certains dispositifs de la Loi des chemins de fer et de la Loi concernant l'établissement et les dépenses de la commission conjointe internationale sous l'empire du traité des eaux navigables portant la date du 11 janvier 1909.

L'article 5 de la Loi d'Incorporation donne à la dite corporation les objets et buts suivants :—

5. La dite corporation aura pour objet d'approvisionner pour toutes fins les résidents du dit district d'eau tirée de sources quelconques soit dans, soit hors la province. La dite corporation a le droit d'étendre et d'exercer les droits à elle conférés à ces fins hors les limites de cette province, sujet néamoins à son obtention de tous droits légaux nécessaires à ses fins du Gouvernement du Canada ou de toute autre autorité extra provinciale.

Pour fournir l'approvisionnement d'eau ci-haut mentionné il a fallu construire un aqueduc du lac Shoal, une partie du lac des Bois, à la cité de Winnipeg, une distance d'environ cent milles, et il a fallu en rapport avec ces travaux et pour mener à bonne fin l'objet de la Corporation, tel que mentionné dans l'article 5 susmentionné, construire le chemin de fer mentionné à l'article 1 du chapitre 47, l'une des lois qui tel que susmentionné modifie la *Loi d'incorporation.* Quand aura été construit ce chemin de fer, dont le parachèvement est prochain, il sera ouvert à la colonisation, pour des fins de culture surtout, une grande étendue de terrain qui aujourd'hui est presque complètement dépourvue de colons à cause de son éloignement des chemins de fer actuels.

Le maire de la cité de Winnipeg, qui est le president du bureau d'administration établi par la Loi d'incorporation, en sa qualité de président, a sonmis au ministre un projet pour établir sur les terres adjoignant le chemin de fer qui doit s'achever prochainement entre la cité de Winnipeg et le Lac-des-Bois des colons devant être choisis par le comité de colonisation de la dite corporation parmi des gens qui ont certaine expérience en agriculture et le dit maire a demandé que les terres fédérales suivantes qui sont vacantes et disponibles soient réservées à ces fins : la moitié nord du township 7 et tout le township 8 dans le rang 13 ; tout le township 7 et la moitié sud du township 7 dans le rang 14 ; et la moitié nord du township 7 et la moitié sud du township 8 dans le rang 15 ; tout à l'est du méridien principal.

Le président représente que le bureau d'administration a reçu l'assurance que le gouvernement de la province de Manitoba contribuerait activement aux améliorations locales nécessaires sur les terrains susmentionnés: établissement d'écoles,aide à la colonisation,etc.

On a de plus représenté qu'un comité de citoyeus de la ville de Winnipeg, formé d'hommes d'expérience dans ce genre de colonisation donne son appui au projet et a préposé un homme d'expérience pour se charger spècialement de l'œuvre.

Le président du bureau d'administration demande que certains privilèges mentionnés ci-après soient accordés dans le but d'aider à la colonisation des terrains susmentionnés.

Le ministre est d'avis qu'il sera d'intérêt public d'accorder les dites demandes et recommande en conséquence que, sous l'empire du paragraphe (k) de l'article 76 de la Loi de 1908 des terres fédérales, autorisation soit donnée d'accorder les dits privilèges, savoir:

1. Que la réserve soit autorisée et ratifiée de toute terre vacante et disponible dans les limites ci-haut décrites et que le Ministre de l'Intérieur soit autorisé de changer les limites de la dite réserve comme il le jugera à propos et de rescinder la dite réserve en tout temps sur douze mois d'avis publié dans la *Gazette du Canada* et dans la *Gazette du Manitoba.*

2. Que dans les limites ainsi réservées il ne soit concédé ou vendu aucune inscription excepté à des personnes agréées par le comité de colonisation susmentionné.

3. Que la concession d'inscription à des personnes agréées comme ci-dessus soit sujette aux dispositions de la dite loi et des dits règlements en autant que ces derniers peuvent s'y appliquer et sauf les réserves ci-dessus mentionnées.

4. Que la dite commission de colonisation soit autorisée de décider de quelle manière les dites terres soient subdivisées et cédées, sujet à l'approbation du Ministre de l'Intérieur.

5. Que les conditions de culture dans chaque cas soient approximativement 20% de la superficie des terres sous inscription sujettes à une réduction raisonnable si le Ministre de l'Intérieur juge que le terrain en question est trop difficile à défoncer.

6. Que la commission de colonisation soit autorisée de choisir un site central de trente acres approvimativement pour l'établissement d'une école, d'une église et d'un cimetière, le site ainsi choisi devant être réservé aux fins de la dite corporation.

7. Que relativement aux inscriptions accordées aux conditions sus-mentionnées, il ne soit accepté aucune demande pour rescision sous l'empire de la Loi de 1908 des terres fédérales et ses modifications, mais au Ministère de l'Intérieur ressortit de faire l'inspection des dites terres de temps à autre selon que le Ministre de l'Intérieur le jugera opportun ; et s'il est trouvé que les conditions des dites inscriptions n'ont pas été remplies, il peut être institué des procédures en rescision sous l'empire de la loi susdite, lesquelles pro-

cédures doivent être conduites de la même manière que pour les inscriptions ordinaires ;

8. Que, sur rescision d'une inscription, les terrains en question retournent à la réserve et redeviennent sujets aux conditions susmentionnées.

9. Que, si de l'avis de la dite commission de colonisation, un colon perd son droit à un homestead gratuit, une vente peut lui être consentie aux termes et conditions d'établissement que peut exiger le Ministre de l'Intérieur.

10. Que le Ministre de l'Intérieur soit autorisé de faire toute prescriptions, règles et règlements, qu'il juge nécessaires dans les cas qui peuvent surgir et qui n'ont pas été prévus dans les présents règlements.

Le comité agrée cette recommandation et la soumet pour approbation.

A l'appui de ce qui précède, la déclaration d'une autorité médicale a éte soumise au Département de l'Intérieur représentant que suivant toute apparence M. AU comité du Conseil privé a été soumis un rapport du Ministre de l'Intérieur, daté le 23 novembre 1916, représentant que Frank Nylund, russe de naissance, a obtenu, en 1911, l'inscription de homestead du quart nord-est de la section 14, township 59, rang 20, à l'ouest du 4e méridien ;

Sur représentation que cet inscrit a abandonné sa femme et quitté le pays, des mesures ont été prises pour annuler son inscription afin que le terrain en question soit disponible pour sa femme qui y a continuellement résidé ;

Il ressort du rapport d'un inspecteur de homestead que madame Nylund a continué à travailler sur ce quart de section et désire en obtenir la possession mais trouve impossible d'obtenir un certificat de naturalisation de sujet britannique ainsi que prescrit au paragraphe 3 de l'article 25 de la Loi des terres fédérales,—

Par conséquent le Ministre recommande qu'il soit autorisé sous l'empire du paragraphe (L) de l'article 76 de la *Loi des terres fédérales* de vendre le terrain susdit à madame Nylund au prix de $1 l'acre, et que patente dudit terrain soit délivrée à la requérante sur preuve fournie de la manière ordinaire que les obligations d'établissement pour les trois années réglementaires ont été complétées depuis la date de la désertion de son mari et que le prix total du terrain a été payé.

DEMANDES AU PARLEMENT.

CHAMBRE DES COMMUNES.

RÈGLES RELATIVES AUX PÉTITIONS ET AUX BILLS PRIVÉS.

88. (1) Les pétitions pour bills privés ne sont reçues par la Chambre que si elles sont présentées pendant les six premières semaines de la session, et tout bill privé sera présenté à la Chambre dans les deux semaines à compter de l'époque où l'Examinateur ou le comité des ordres permanents auront fait un rapport favorable sur la pétition, et nulle motion à l'effet de suspendre cette règle ne sera acceptée, à moins qu'au préalable le comité des ordres permanents n'ait présenté un rapport recommandant cette suspension et exposant les raisons la motivant.

Instruction aux comités.

97. Qu'il soit enjoint à tous les comités sur bills privés, dans le cas où les promoteurs ne seraient point prêts à procéder avec leurs mesures quand celles-ci auront été appelées deux fois en deux occasions différentes devant le comité pour y être discutées, de rapporter ces mesures à la Chambre sans délai, faisant connaître les faits, et avec la recommandation que ces bills soient retirés.

Depôt de bills et honoraires.

89. (1) Toute personne qui voudra obtenir un bill privé sera tenu de déposer entre les mains du greffier de la Chambre, au moins huit jours avant la réunion de la Chambre, un exemplaire de ce bill en anglais ou en français, avec une somme suffisante pour en payer la traduction et l'impression, la traduction en devant être faite par les fonctionnaires de la chambre, et l'impression par le département des impressions publiques, et si pareil bill n'est pas déposé dans le délai ci-dessus prescrit, le solliciteur devra, en sus des frais d'impression et de traduction, payer la somme de cinq dollars pour chaque jour qui s'écoulera entre le dit huitième jour avant la réunion de la Chambre et la date de la présentation du bill ; mais ces taxes additionnelles ne devront pas dépasser en totalité la somme de deux cents dollars.

2. Après la deuxième lecture d'un bill et avant son examen par le comité auquel il a été renvoyé, celui qui en fait la demande doit dans tous les cas verser le prix de l'impression de la loi dans les statuts ainsi qu'un droit de deux cents piastres.

Taxes supplémentaires.

3. Les taxes suivantes seront également imposées et payées, en sus de celles qui précèdent savoir :—

(*a*) Lorsqu'une règle de la Chambre est suspendue relativement à un bill, ou à la pétition de ce bill pour chaque suspension	$ 100 00
(*b*) Lorsqu'un bill est présenté dans la Chambre après la huitième semaine de la session et avant la fin de la douzième	100 00
(*c*) Lorsqu'un bill est présenté dans la Chambre après la douzième semaine de la session	200 00
(*d*) Lorsque le capital social projeté d'une compagnie dépasse $250,000 et n'excède pas $500,000	100 00
(*e*) Lorsque le capital social projeté d'une compagnie dépasse $500,000, et n'excède pas $750,000	150 00
(*f*) Lorsque le capital social projeté d'une compagnie dépasse $750,000, et n'excède pas $1,000,000	200 00
(*g*) Lorsque le capital social projeté d'une compagnie dépasse $1,000,000, et n'excède pas $1,500,000	300 00

4. Quand l'objet d'un bill est d'augmenter le capital social d'une compagnie existante, le droit additionnel est déterminé selon le tarif ci-dessus, mais n'est calculé que sur le montant de la majoration.

5. Quand un bill est à l'effet d'augmenter ou tend à augmenter pour une compagnie sa faculté d'emprunter, sans qu'il y ait augmentation du capital social, le droit additionnel est de $300.

6. Si, à quelque phase d'un bill, il est apporté quelque augmentation au chiffre du capital social projeté d'une compagnie, ou à celui de sa faculté d'emprunter, le bill ne passe pas à la phase subséquente tant que les droits découlant de ce changement n'ont pas été versés.

7. Dans la présente règle, l'expression "capital social projeté" comprend toute augmentation de ce capital prévue dans le bill, et dans le cas où un bill accorde le pouvoir d'augmenter, à quelque date que ce soit, le montant du capital social projeté, le droit additionnel sera prélevé sur le chiffre maximum de telle augmentation projetée, telle qu'il en est fait mention dans le bill.

8. Les taxes supplémentaires prescrites en la présente règle s'appliqueront aussi aux bills privés prenant naissance au Sénat, sauf, toutefois, que si une pétition demandant pareil bill privé a été présentée en cette Chambre dans les six premières semaines de la session la taxe supplémentaire imposée sous l'empire des alinéas *b* ou *c* de l'article 3, ne sera pas exigée.

SÉNAT.

SUBSTANCE DES RÈGLES ET FORMES DE PROCÉDER DU SÉNAT CONCERNANT LES BILLS DE DIVORCE.

Telles que revisées et mises en vigueur le 22 mars 1906

Tout pétitionnaire en divorce doit annoncer son intention de demander un bill de divorce, par un avis spécifiant contre qui et pour quelle cause le divorce sera demandé ; il fait insérer cet avis, pendant trois mois au moins avant la prise en considération par le comité des divorces de sa pétition pour obtenir le bill, dans la *Gazette du Canada* et dans deux journaux—du district où il avait sa résidence habituelle à l'époque de sa séparation d'avec son conjoint, s'il résidait alors dans la province de Québec, le Manitoba, la Saskatchewan, l'Alberta, la Colombie-Britannique ou les Territoires du Nord-Ouest,—ou du comté ou des comtés-unis, s'il résidait dans une autre province ; et à défaut de ce nombre de journaux, l'avis doit se publier dans le district, le comté ou les comtés-unis voisins.

Dans les provinces de Québec et du Manitoba, les insertions doivent se faire dans un journal anglais et un journal français, s'il en existe des deux langues dans le district ; autrement, elles se font en anglais et en français au même journal. Si l'avis donné pour une session expire trop tard pour qu'il puisse être statué sur la pétition pendant cette session, la pétition pourra être présentée et accueillie à la session suivante sans nouvelle publication d'avis.

Une copie de cet avis et une copie de la pétition qui sera présentée doit, à la diligence du pétitionnaire et au moins deux mois avant la prise en considération de la pétition par le comité, être signifiée en main propre si cela est possible, à la personne contre laquelle le divorce sera demandé, ci-après appelée "partie défenderesse".

Si la résidence de la partie défenderesse n'est pas connue, ou que la remise de l'avis ne peut être faite en ses mains, s'il est prouvé, d'une manière jugée satisfaisante par le comité, que tous les efforts raisonnables ont été faits pour opérer la signification en main propre, et, en cas d'inutilité de ces efforts, pour porter l'avis et la pétition à la connaissance de la partie défenderesse, ces diligences peuvent être tenues pour une suffisante notification

Aucune pétition en divorce n'est recevable après l'expiration des soixante premiers jours de la session.

Toute pétition en divorce doit être écrite lisiblement et porter la signature du pétitionnaire. Elle énonce sommairement le fait du mariage, en indiquant les noms au long, l'âge et l'état des parties, en quel temps, en quel lieu et par qui a été faite la célébration ; le domicile et la résidence de chacune des parties à l'époque du mariage, leur domicile conjugal, leur résidence et tout changement qui en aurait eu lieu ; les faits essentiels sur lesquels est fondée la demande de redressement et la nature du redressement demandé.

La pétition doit aussi contenir l'assurance qu'il n'y a pas eu ni connivence, ni pardon pour les torts qui donnent lieu à la plainte, ni collusion dans la demande en divorce.

Les allégations de la pétition doivent être appuyées d'une déclaration du pétitionnaire, faite conformément à l'*Acte de la preuve en Canada, 1893.*

La copie de la pétition signifiée à la partie défenderesse portera en endos ou en annexe les renseignements suivants :

(*1*) La résidence du pétitionnaire à l'époque de la signification.

(*2*) Une adresse postale en Canada à laquelle les lettres et avis pour le pétitionnaire puissent être délivrés.

(*3*) Le nom et l'adresse de l'avocat, s'il y en a un, agissant pour le pétitionnaire.

(*4*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa à qui tous avis et pièces puissent être signifiés

(*5*) Si la partie défenderesse veut s'opposer à la demande en divorce et être entendue par le comité des divorces du Sénat, elle doit adresser un avis à cet effet au greffier du Sénat aux édifices du Parlement, Ottawa, dans les deux mois de la signification faite à la partie défenderesse et donner dans cet avis au greffier du Sénat :

(*a*) La résidence de la partie défenderesse à l'époque de l'envoi de l'avis.

(*b*) Une adresse postale en Canada à laquelle les lettres et avis pour la partie défenderesse puissent être délivrés.

(*c*) Le nom et l'adresse de l'avocat, s'il y en a un agissant pour la partie défenderesse

(*d*) Si cet avocat n'a pas d'adresse à Ottawa, le nom et l'adresse de quelque agent le représentant à Ottawa, à qui tous avis et pièces puissent être signifiés.

(*6*) Si la partie défenderesse ne notifie pas ainsi le greffier du Sénat, la pétition peut être prise en considération, et un bill de divorce basé sur cette pétition peut suivre son cours sans autre avis à la partie défenderesse.

(*7*) Lorsque la pétition est présentée par un mari pour obtenir le divorce contre sa femme, si celle-ci fait voir au comité d'une manière satisfaisante qu'elle peut opposer et qu'elle est prête à produire sous serment de bons moyens de défense contre les accusations portées dans la pétition, et qu'elle n'a pas l'argent nécessaire pour faire valoir ces moyens, le comité peut rendre un ordre que son mari ait à lui fournir la somme nécessaire pour qu'elle puisse présenter sa défense en retenant les service d'un conseil, payer ses frais de voyage et de séjour et ceux des témoins assignés de sa part à Ottawa.

La pétition en obtention d'un bill de divorce n'est prise en considération par le comité que lorsque le pétitionnaire a versé au bureau du greffier du Sénat une somme de $210.

La pétition, au moment de sa présentation au Sénat doit être accompagnée de la preuve de la publication d'avis et d'une déclaration établissant qu'une copie de l'avis de la pétition a été signifiée.

Une copie de toute pétition en obtention d'un bill de divorce, ou relative à quelque demande de divorce,—et une copie de tous documents et papiers accompagnant cette pétition, ou à produire devant le comité, devra être fournie par la personne au nom de laquelle la pétition, les documents ou les papiers seront présentés ou produits.

SAML. E. ST. O. CHAPLEAU,
Greffier du Sénat.

SENAT.

Outre l'avis à insérer dans la *Gazette du Canada*, il doit en être publié un semblable, comme il suit :—

A. Lorsque la demande a pour objet l'obtention d'un acte constituant en corporation,—

1. Une *compagnie de chemin de fer ou de canal*,—dans un des principaux journaux de la principale cité ou ville ou le principal village de chaque comté ou district par où passerait le chemin de fer ou le canal dont la construction est projetée ;

2. Une *compagnie de télégraphe ou de téléphone*,—dans un des principaux journaux de la principale cité ou ville de chaque province ou territoire où elle se propose d'opérer ;

3. Une *compagnie pour la confection de travaux quelconques*, dont la confection ou l'exploitation intéresserait spécialement telle localité particulière ; ou une compagnie tendant à obtenir des droits ou privilèges exclusifs, ou l'autorisation de faire une chose dont l'opération pourrait porter atteinte aux droits ou à la propriété d'autrui,—dans un des principaux journaux de l'endroit ou des endroits que l'acte demandé intéresse ;

4. Une *compagnie de banque ;* une *compagnie d'assurance ;* une *compagnie de crédit ;* une *compagnie de prêt* ou une *compagnie industrielle*, sans pouvoirs exclusifs, —dans la *Gazette du Canada* seulement ;

5. Et si les travaux d'une compagnie (constituée ou à constituer) doivent être déclarés d'utilité générale pour le Canada, cette intention sera spécifiquement mentionnée dans l'avis ; et les requérants feront envoyer par lettre enregistrée une copie de cet avis au secrétaire de chaque conseil de comté et de chaque corporation municipale spécialement intéressée dans la construction ou l'exploitation de ces travaux, ainsi qu'au secrétaire de la province dans laquelle ces travaux sont ou seront situés ; et la preuve de l'accomplissement de cette prescription par les requérants devra s'établir par une déclaration statutaire.

B. Lorsque la demande a pour objet de modifier un acte existant,—

1. Afin de prolonger une ligne de chemin de fer ou un canal, ou de construire des embranchements qui s'y relient, l'avis sera le même, *mutatis mutandis*, que celui pour l'obtention d'un acte constituant en corporation une compagnie de chemin de fer ou de canal ;

2. Afin de proroger le délai fixé pour la confection ou l'achèvement d'une ligne de chemin de fer, d'un canal, d'une ligne télégraphique ou téléphonique, ou d'autres travaux quelconques déjà autorisés,—dans un des principaux journaux de l'endroit où la compagnie a son siège ou est autorisée à avoir son siège ;

3. Afin d'étendre les pouvoirs d'une compagnie (sans attribution de pouvoirs exclusifs) ; d'accroître ou de réduire le capital-actions d'une compagnie, ou d'augmenter ou modifier sa faculté d'émettre des obligations ou de faire des emprunts, ou d'effectuer des changemeuts pouvant porter atteinte aux droits ou intérêts des actionnaires, obligataires ou créanciers de la compagnie, —dans un des principaux journaux du lieu de la situation de son siège.

c.
